

APRIL 2026

The **Sobriety Resource** exists to help families struggling with addiction find trusted, supportive recovery. Each year, we distribute **over \$300,000** in financial scholarships for individuals to enter or remain in a treatment or recovery program.

We're excited to hear from scholarship recipients being impacted by the generosity of our donors. Check out this update from Charles, a 2025 scholarship recipient who is a resident at **Waypoint Ministry**, one of our partner programs.

IT'S NOT JUST ABOUT FINDING RECOVERY.....

IT'S ABOUT FINDING A NEW WAY OF LIFE

And that's what our partner Waypoint Ministry is doing – helping men find and experience what it means to truly enjoy LIFE IN RECOVERY.

A Word from Charles 2025 Scholarship Recipient

I would first like to sincerely thank you for your continued dedication and support, not only to me but to so many individuals who are working to rebuild their lives. The willingness you have shown to invest in people who are trying to change and walk a new path truly makes a difference.

Your support has allowed me to remain in this program and focus on the work that has been necessary for my growth, healing, and recovery.

Because of the opportunity that this funding has provided, I have been able to fully commit myself to the process of recovery and to strengthening my relationship with God.

I am now nearing the completion of the third phase of the program, and I am incredibly grateful for the support that helped me reach this point.

Your dedication to helping individuals like me does not go unnoticed. It has given me the chance to continue building a life that is centered on faith, responsibility, and long-term sobriety. I am deeply thankful for the investment that has been made in my life and for the belief that people can change and grow when given the right support and opportunity.

A Word from Our Partner - Waypoint Ministry

My name is Michael Tucker, and I am the Program Director at Waypoint Ministry. We sincerely appreciate everything The Sobriety Resource (TSR) Team has done for us and for the men we are privileged to serve.

Waypoint Ministry established partnership with TSR in 2025. In that short time, TSR has become an important part of helping men overcome their battle with substance abuse. We share core values centered on hope, restoration, and long-term heart change. This shared commitment has formed an impactful and valuable partnership.

Waypoint Ministry joined the TSR network because of our belief in collaboration and unity. Our program relies heavily on friends and partners whose generosity makes our work possible. During Zoom conversations between the TSR staff and our residents, the men's expressions, openness, and gratitude demonstrate the encouraging impact of their participation.

TSR has given us more than support; it has offered a genuine relationship. For this we are truly grateful.
