

It is amazing that since January 1, 2020, [The Sobriety Resource \(TSR\)](#) has awarded **over \$1.26 million in financial scholarships** to individuals seeking to enter or remain in a trusted treatment or recovery program. In 2025, we distributed **\$343,780** in scholarships, and this year (2026) we are averaging **\$40,000 per month** in first-time and subsequent funding assistance.

All of our services are free of charge – and thanks to our generous supporters and faithful placement partners like [Lightway Recovery](#) in Flowery Branch, Georgia.

A Word from Our Partner: Lightway Recovery Wellness Center

Amanda Strittmatter, Program Director

At Lightway Recovery, we serve women (including pregnant and postpartum) seeking freedom from addiction through a long-term, Christ-centered residential recovery program that addresses healing physically, mentally, and spiritually. Many of the women we serve are rebuilding their lives after experiencing trauma, broken relationships, financial hardship, and the devastating effects of addiction.

*One of the most important phases of our program is our **Transitions phase**, which begins after women have spent six months building a strong recovery foundation. During this phase, women begin working outside the home and taking steps toward independence. For many, this is the first time in years they have maintained employment, managed a budget, and experienced the dignity of supporting themselves and working toward a stable future. While exciting, this phase can also be one of the most vulnerable, as women often face transportation challenges and unexpected financial barriers while trying to maintain recovery.*

This is where our partnership with TSR has made a tremendous impact. For some of the residents who needed support with program fees or transportation assistance as they started out, TSR has helped remove obstacles that might otherwise prevent women from moving forward as they first start out.

A Word from Our Partner: (Cont'd) Lightway Recovery Wellness Center

These practical resources allow our residents to focus on recovery, employment, and building healthy, independent lives.

More importantly, this support communicates something powerful:

***You matter, your recovery matters,
and there are people who believe in your future.***

A Word of Gratitude from Brittany

Resident who received a scholarship for 2nd phase and has completed the one-year program

*I would like to thank **The Sobriety Resource** for providing me with a scholarship during my second six months at Lightway Recovery. Your generosity allowed me to focus on my recovery program without the added stress of financial concerns while I was re-entering the workforce.*

Because of your support, I was able to build a strong foundation in my recovery, continue growing my relationship with God, and take important steps toward a healthier, more stable future as I got started working. You are changing lives in ways that I am beyond grateful for.

**THANK YOU AGAIN FOR
BELIEVING IN ME AND
MAKING A REAL
DIFFERENCE IN MY LIFE.**

Thank you again for believing in me and making a real difference in my life. It inspires me to be of service to others and give back what has been so freely given to me. God Bless!

*With Gratitude,
Brittany*

The impact extends far beyond one woman. When a woman successfully transitions into recovery and independence, children gain healthy mothers, families begin to heal, and communities become stronger.

On behalf of our residents and our team at [Lightway Recovery Wellness Center](#), thank you for investing in our residents during this pivotal season of recovery. Your generosity is creating opportunities for healing, hope, and lasting change that will ripple through families and communities for years to come.

Thank you [Lightway Recovery](#) for your partnership and for the way God is using you to transform lives!. Together we are **Making a Difference – One Life, One Family and One Community at a Time!**
