

The Sobriety Resource

Addiction is chaotic. Family history, personal experiences, and a range of life choices make each person and each solution unique. Making the right connections is vital to bringing the best outcomes for everyone involved.

THAT'S WHERE WE COME IN

The Sobriety Resource is Georgia's trusted resource for addiction and recovery solutions. Our services are **free of charge** and include:

Consultations and personal assessments with families in need of addiction and recovery services

Financial scholarships for individuals without the resources to enter or remain in a trusted treatment and/or recovery program

Professional development for staff and community service providers about substance use disorder and available treatment/recovery options

Connections with advocates throughout Georgia in the fight to save lives and help families recover

Outreach and support to faith communities and local groups assisting families in crisis
