What We Offer:

- **Consultations/Personal Assessments** for individuals and families struggling with addiction.
- **Financial Assistance** to qualified individuals without resources to enter or remain in a recovery program.
- **Educational Training** about substance use disorder and the different recovery and treatment options.
- **Volunteer Opportunities** for individuals/groups to join us in making a difference throughout Georgia.
- **Connections** with advocates who are in the fight with us to save lives and support families in crisis.

We Can Help.
The Time is Now.
