Addiction is real, but so is recovery. Most people want to change, yet few truly know how. Even fewer have the financial resources and connections to enter or remain in a trusted treatment or recovery program. That's where **YOU** can help.

HELP US MAKE A DIFFERENCE.

Join us on **Sunday, October 4th** as we raise critical funds for families in Georgia struggling with addiction.

Your support helps us provide **financial scholarships, placement assistance** and **education and training** to families and communities throughout Georgia – **free of charge**.

We Are Making a Difference -
One Life at a Time.
