

Environmental Policy

The London Spray Company Ltd is committed to protecting the environment and minimising our impact on the planet. We believe that it is our responsibility to operate our business in a way that is sustainable and to encourage our employees, suppliers, and customers to do the same.

To achieve this, we will:

1. Comply with all applicable environmental laws, regulations and standards.
2. Continuously monitor our operations and assess our environmental impact, setting targets to reduce our impact where possible.
3. Minimise our use of energy, water, and natural resources by implementing energy-efficient practices and reducing waste.
4. Promote recycling, reduce waste, and use environmentally-friendly materials wherever possible.
5. Seek to source products and services from environmentally responsible suppliers.
6. Encourage the use of public transportation, cycling, carsharing, and other sustainable modes of transportation.
7. Communicate our environmental policy and performance to our employees, suppliers, and customers and encourage them to participate in our efforts to protect the environment.
8. Continuously monitor and review our environmental performance to ensure that we are meeting our objectives.

We are committed to continually improving our environmental performance and will regularly review and update our environmental policy to ensure that it remains relevant and effective.
