MORE THAN A CLOSET

Hope Against Hunger is a not-for-profit 501(c)3 organization established in 2021 with a vision to provide sustainable, affordable, and accessible food resources to an often overlooked and desert rural community. Our mission is to reduce food insecurity and the effects of poverty in our community, and to provide accessible and essential resources to meet basic human needs in Osage County, Kansas. Hope Against Hunger has been blessed to assist approximately 1,200 individuals each year through our collective programs.

“Alone we are a drop, but together we are an ocean”

We have recently started partnering with ECKAN, Be Filled of South Topeka, and other local churches and agencies to expand our efforts in our community. We hope to soon be able to meet the needs of our community members on a new level by working together to ensure that we- as a team- can impact our small towns in transformative ways.

HOME SWEET HOME!

“people coming together as a community can make things happen”

We have been working diligently to find funding sources to garner support for our building restoration project- and we need your help! The reintroduction of Hope Against Hunger’s centralized location will serve as a walk-in food pantry, a community closet, a space to provide community meals, and a public storm shelter for community members who do not have basements during the severe Kansas storm season. We are looking for community partners who would like to contribute monetarily or through in-kind donations of building supplies to make this project a success! All donations are tax-deductible through 501(c)3.

UPCOMING EVENTS!

Hope Against Hunger Community Closet will be open for one weekend only in April to participate in the City Wide garage sales. **FREE WILL DONATION** to help raise funds to repair and renovate the other side of the building.

We plan to have a variety of baked goods available for sale during this time as well... so mark your calendars and don't miss the opportunity to browse the closet for a cause!
