

# Magnolia Laser

## Quilt Cutting Order Form

### Cost Information

The cost of cutting a quilt kit depends on several factors. These include:

- Size of quilt.
- Complexity of quilt.
- Number of pieces cut.
- Complexity of shapes
- File design work required

To get a quote, please provide the following:

- Send copy of pattern
  - Scan (or attach if electronic file)
  - Take photos
- Fill out "Quilt Information"
- Email to: [Magnolialaser@swbell.net](mailto:Magnolialaser@swbell.net)

## Terms & Conditions

Thank you for trusting us with your quilt project. Please read the following guidelines so we can give you the best possible job on your quilt.

- No “fussy cut” or cut strips longer than 48”.
- The laser cannot cut polyester, any synthetic blends or Minkee. Please call if you have any doubts about your fabric.
- The fabric should be either all washed or all unwashed, not a mix.
- Please only send standard bolt width fabric, no 60” or 108”.
- Please do not send antique fabric or one-of-a kind fabric. In the very rare event of a laser misfire that ruins fabric, We are only responsible for the replacement value of the fabric with an equivalent commercially available fabric. Fabric goes out of print quickly and an exact replacement may not be available.
- Leftover fabric will be sent back with kit.

Copyright laws protect the designer. WE DO NOT SEARCH COPYRIGHT. It is your responsibility to either own the rights to your design or it be in public domain for anyone to use for free. Please sign below to acknowledge that this project either is copyright free, your own design or used with permission.
