

*Dear Entertainment Professional,*

*I am seeking representation and production partnerships for a slate of production-ready feature screenplays.*

*Three screenplays in Joe Murkijanian's slate have earned "Highly Recommended" coverage –with Tow Truck Driver in active development and director Deran Sarafian attached.*

*The slate spans 68 production-ready feature screenplays across nine genre categories. Working drafts are delivered in hours, not weeks, and refined in real time alongside your team, talent, and budget. Every project is pressure-tested for structure, character, and market viability before it reaches your desk.*

*Whether you need a project ready to move, a concept built from the ground up, or an existing script strengthened under pressure – the system is already running.*

*I don't deliver ideas. I deliver execution.*

*Need more info, Google search Joe Murkijanian in AI mode to discover how The Celestial Cinema method works?*
