Dear Community Partner,

For over 113 years, the Yavapai County Fair has been one of the most valued traditions in our community—bringing together families, businesses, and visitors to celebrate agriculture, education, youth achievement, and the spirit of Yavapai County.

In 2025 alone, the fair welcomed over 50,000 attendees and generated a \$505,000 Youth Livestock Auction, directly supporting local youth in programs such as 4-H and FFA. These numbers represent more than attendance—they reflect a powerful connection between community, commerce, and future generations.

As a sponsor, your business gains more than visibility—you become part of something meaningful.
