one entry in each class: for example, as many onions in the
Onion division as desired, but only one each in Class 1 Pearl,
Class 2 Bermuda, Class 3 Red, etc.

Each exhibitor will be entitled to ONE fair entry pass regardless
of how many entries the person has.

There are no entry fees in the Horticulture Department.

All entries must be free of disease and insect injury.

Superintendents or the Fair will not be held liable for loss or
damage to exhibits left after this time. Any entries left become
the property of the Fair and may be discarded

Exhibits will be displayed on uniformly sized plates furnished
by the Fair. All exhibits will be cared for in an efficient manner
but in no case will the Yavapai Fair be responsible for any loss
or damage that may occur.

All classes are judged on market standard of size, uniformity
and presentation. If there are not enough entries in a class to
provide adequate competition, closely related classes may be
combined at the discretion of the Judge and Superintendents.
It is the sole discretion of the Judge whether the exhibits are
