

8 th -WORKSHOP: “CLIMATE CHANGE”			
TIME	SUBJECT	CONTENT	BY
8:00 to 8:15	A. Introduction;	Workshop’s Aim and Schedule;	Moderator
8:15 to 8:30	1 st Pause	Coffee or Tea	
8:30 to 9:30	B. Knowledge of participants about global warming;	What influence will global warming have on our descendants;	Each Speaker of 2 groups
9:30 to 10:45	C. From the performance of autistic experimental subjects to the principles of cognition;	The moderator will show how the logos heuristics was built step by step by assessing the reasons for the success and for the failure of autistics in passing or not passing key neuro-psychological tests;	Moderator
	D. History of the consumption of energy;	A review of the consumption of energy in the history of human civilization will be considered; The consumption of energy before and after the Industrial Revolution will be presented;	
	E. The growth of China and India;	The consumption of energy in China and India will destroy the cycle of water on Earth unless just laws are introduced in the world;	
	F. The cycle of water on Earth;	The story of the killing of the monster Grendel and of the struggle of the Viking Beowulf and a dragon. The influence of the relationship among the 4 elements: Fire, Earth, Air, and water;	
	G. Resources of fossil energy and their demand until 2060;	The hunger for fossil energy will not diminish unless strict laws about the use of fossil energy were exacted in all nations;	
10:45 to 11:00	2 nd Pause	Coffee or Tea	
11:00 to 11:30	H. the letter of Senator Edward Kennedy to Antonio Cassella;	A letter that Senator Edward Kennedy wrote to Antonio Cassella in 2007 will show that we have done very little in arresting the onset of an environmental catastrophe;	Moderator
11:30 to 12:45	I. Comparison of all the variables that influence the onset of global warming;	A comparison of key variables related to global warming suggests that a rise in the temperature of the lower atmosphere of 2 degrees Celsius may wake up a dragon that sleeps on the bottom of Earth’s seas. The participants may input their ideas on how to change climate into a global cooling.	Moderator and assistants
12:45 to 13:00	J. Closing and evaluation;	Workshop worthiness.	Assistants and Organizing Concern
