

Elise Eva Bella LaDouceur, DVM, Diplomate ACVP (Anatomic and Clinical Pathology)
EliseLD@zoopath.com

EDUCATION

Veterinary Clinical Pathology Residency (non-traditional track), board certified August 2023
Tufts Cummings School of Veterinary Medicine, North Grafton, MA
Veterinary Anatomic Pathology Residency (standard track), board certified September 2015
UC Davis School of Veterinary Medicine, Davis, CA
Doctorate of Veterinary Medicine, May 2012
Tufts Cummings School of Veterinary Medicine, North Grafton, MA
Bachelor of Science, Biology and Environmental Sciences, May 2006
Boston College, Chestnut Hill, MA

132. Burrell C, Stevens S, LaDouceur EEB. *Chamaeleomyces granulomatis* in a veiled chameleon. AAZV Zoo and Wildlife Pathology Workshop. Dallas, TX. Oral presentation. September 24, 2017.
133. LaDouceur EEB, Suedmeyer K. Normal histology and bacterial coelomitis of the giant African millipede (*Archispirostreptus gigas*). CL Davis Northeast Veterinary Pathology Conference. Gaithersburg, MD. Oral presentation. April 1, 2017.
134. Burrell C, Walsh T, Wright L, Garner MM, LaDouceur EEB. Chytridiomycosis in a green and black poison dart frog (*Dendrobates auratus*). CL Davis Northeast Veterinary Pathology Conference. Gaithersburg, MD. Oral presentation. April 1, 2017.
135. Stevens S, LaDouceur EEB, Wood J, Reilly CM. Immunohistochemical profile of canine liposarcoma. ACVP Annual Meeting. New Orleans, LA. Poster presentation. December 3-6, 2016.
136. Stevens S, LaDouceur EEB. *Eimeria* spp. infection in domestic goats. West Coast Veterinary Pathology Conference. Davis, CA. Oral presentation. May 6, 2016.

137. Calloway T, LaDouceur EEB. Pulmonary involvement in *Mesocestoides* spp. infection in dogs. West Coast Veterinary Pathology Conference. Davis, CA. Oral presentation. May 6, 2016.
138. LaDouceur EEB. Marine invertebrate histopathology. PMI Departmental Seminar, UC Davis. Davis, CA. Oral presentation. July 2, 2015.
139. LaDouceur EEB. Chondro-osseous respiratory epithelial adenomatoid hamartomas in dogs. West Coast Veterinary Pathology Conference. Davis, CA. Oral presentation. May 1, 2015.
140. Newton AL, Garner MM, LaDouceur EEB, Frasca Jr. S, Smolowitz RM, Knowles S, Work TM, Stidworthy MF. Current pathology findings in the Pacific coast sea star wasting disease mortality event. Annual Eastern Fish Health Workshop. Mt. Pleasant, SC. Oral presentation. March 2-6, 2015.
141. LaDouceur EEB, Wynne J, Garner MM, Fish S, Nyaoke A, Keel MK. Pathologic findings of marine invertebrates with copper toxicosis. ACVP and ASVCP Annual Meeting. Atlanta, GA. Poster presentation. November 8-12, 2014.
142. LaDouceur EEB, Newton AL, Garner MM, Knowles S, Frasca Jr. S, Smolowitz R, Work TM, Stidworthy M, Wynne J. Sea star wasting syndrome: cytological and histological findings. AAZV Zoo and Wildlife Pathology Workshop. Orlando, FL. Oral presentation. October 19, 2014.
143. Newton AL, et al. The Pacific coast sea star mortality event: current status of the ongoing investigation. Wildlife Disease Association Conference. Albuquerque, NM. Oral presentation. July 27-August 1, 2014.
144. Lahner LL, et al. Multidisciplinary investigation of widespread Pacific sea star wasting syndrome – Part II: bacterial and viral genomics, electron microscopy, and toxicology. IAAAM Conference. Gold Coast, Australia. Oral presentation. May 17-22, 2014.
145. Lee B, LaDouceur EEB. Pulmonary artery leiomyosarcoma in a dog with patent ductus arteriosus. CL Davis West Coast Veterinary Pathology Conference. Davis, CA. Oral presentation. May 2, 2014.
146. LaDouceur EEB, Wynne J. Gross and histological lesions of sea star wasting disease in a knobby sea star (*Pisaster giganteus*). CL Davis West Coast Veterinary Pathology Conference. Davis, CA. Oral presentation. May 2, 2014.
147. LaDouceur EEB. End-stage renal disease in polar bears (*Ursus maritimus*). AAZV Conference. Salt Lake City, UT. Oral presentation. October 1, 2013.
148. LaDouceur EEB. Ulcerative umbrellar lesions in captive moon jelly (*Aurelia aurita*) Medusae. AAZV Zoo and Wildlife Pathology Workshop. Oakland, CA. Oral presentation. October 21, 2012.
149. LaDouceur EEB. Glomerulonephritis and end-stage renal disease in a captive polar bear (*Ursus maritimus*). Northeastern Veterinary Pathology Conference. North Grafton, MA. Oral presentation. October 1, 2011.

TEACHING EXPERIENCE

Johns Hopkins University, Baltimore, MD

Interdepartmental Seminar, Invertebrate Pathology, 2024

Resident Training Seminar, Zoo and Wildlife Pathology, 2019

Resident Training Seminar, Fish Pathology, 2017

Departmental Seminar, Fish Anatomy and Pathology, 2017

Joint Pathology Center, Silver Spring, MD

Wednesday Slide Conference Moderator, 2018 (Conference #8), 2019 (Conference #10), 2020 (Conference #9), 2021 (Conference #10), 2022, 2023, 2024, 2025, 2026

Zoo and Wildlife Gross Pathology Course, 2019, 2021, 2025

Avian Histology, 2018, 2019, 2020

Fish Histology, 2018, 2024

Introduction to Fungi, 2020

Michigan State University, East Lansing, MI
Aquatic Animal Medicine (PDI636), 2021

North Carolina State University College of Veterinary Medicine, Raleigh, NC
Invertebrate Slide Seminar, 2024

Ross University School of Veterinary Medicine, St. Kitts, West Indies
Resident Invertebrate Slide Seminar, 2026
Pathology of Avian and Reptile Species, 2026
Pathology of Aquatic Species, 2026
Veterinary Anatomy I and II Teaching Assistant and Tutor, 2009
Veterinary Parasitology Teaching Assistant, 2009

Tufts Cummings School of Veterinary Medicine, North Grafton, MA
Invertebrate Pathology Lecture, 2022
Avian Anatomy Elective Teaching Assistant, 2010-2011

UC Davis School of Veterinary Medicine, Davis, CA
Fish Pathology Rounds Co-Director, 2015-2016
Gastrointestinal/metabolism Laboratory (Vet 405), 2015-2016
Comparative Stream (Vet 432), 2013-2016
Basic Histology Laboratory (Vet 401) Teaching Assistant, 2012-2014

University of Florida College of Veterinary Medicine, Gainesville, FL
Invertebrate Histology Rounds, 2026

UPenn School of Veterinary Medicine, Philadelphia, PA
Resident Training Seminar, Zoo and Wildlife Pathology, 2016

University of Minnesota, Minneapolis, MN
Pathology Club Seminar, 2020

Washington State University School of Veterinary Medicine, Pullman, WA
Pathology Seminar, Sea Star Wasting Disease, 2016

ACVP ROLES

- Member, ACVP Certifying Examination Board, Test Item Writers Group, 2026-present
- Member, One Pathology Task Force, 2026-present
- Member, Digitization Task Force, 2025-2026
- Mentor, ACVP Mentorship Program, 2023-2024

EDITORIAL RESPONSIBILITIES

- Editor: *Veterinary Pathology*, editorial review board, 2015-present
- Editor: *Veterinary Pathology*, guest editor, special focus issue, *Invertebrate Pathology*, September 2023 (60[5])

- Reviewer: *Journal of Comparative Pathology, Journal of Invertebrate Pathology, Veterinary Pathology, Diseases of Aquatic Organisms*

AWARDS/GRANTS

- Joint Incentive Fund, Joint Pathology Center (JPC)/VA Pathology Center - Military Working Dogs: Sentinels for Deployment related Health Implications, 2025 (\$1,994,890.00)
- UC Davis Center for Companion Animal Health Grant, 2016 (\$3,967.50)
- CL Davis Foundation Student Scholarship Award 2015
- Linda Munson Memorial Senior Residency Award 2014
- UC Davis Wildlife Health Center Fellowship Grant 2013
- Elaine Arthur Wildlife Award 2012
- Tufts Veterinary Pathology Award 2012
