

**JUAN BAUTISTA
BALDES (VALDEZ)
LAND GRANT**

The land grant is looking for **firewood bankers** that can help with managing the firewood bank on open days. The work will involve checking individuals in, keeping a sign in log of participants, having participants sign agreements, providing fuelwood tags, possibly cutting and loading wood for the elderly or those who need assistance.

We will be providing a stipend (pay) for this work. If you are interested, please contact us at juanbautista@jbvlg.org or text 505-901-3199 to get you on the list of bankers.

Disclaimer: For more information about the event, please email us at juanbautista@jbvlg.org.

This is a firewood bank that involves the use of equipment including hand tools, shovels, chainsaws, and activities such as log cutting, trimming, brush cleaning, and is not suitable if you cannot walk or stand for long periods or are not in good general health. You will be required to sign a hold harmless agreement to be able to participate in the activities.
