

QUARTERLY BUGLE

Volume 1 / Issue 1

A RECENT SUCCESS

The 2023 Annual Consejo Meeting was held on June 24, 2023 at the Cañones Community Center. There were representatives from land grants throughout the state present to share in the celebration. The lively music provided by Maximino Manzanares & family was a delight; and a special shout out to Northern Youth Group as well as all those community members who helped make the event a success.

LAND GRANT MEMBERSHIP, ELECTIONS, AND ELK

Interested in becoming a member? There are 2 forms of membership; an applicant heir; and a good neighbor. Read more about each on the website or email membership@jbvlg.org to get signed up right away!

Join us for the next meeting that will be held on September 10, 2023 @10:00 am. Become a member prior to this date to participate in elections for the Board of Trustees.

The sale of elk permits acquired through the New Mexico Game and Fish Department is a source of revenue for land grant operations, similar to many other land based organizations. The elk permits granted to the land grant are from acreage owned and managed by the land grant. If we get 10 new members, one cow elk permit will be awarded through a selected random drawing to a land grant participating member. Sign up for a chance to draw the tag!

MUST BE PRESENT TO WIN!

Please join us at the meeting in September for an expedited membership intake. Just bring yourself. Its free to join!

Yup...it's that easy.

**The Quarterly Bugle is a news release that will be posted quarterly (4 times an year) with important updates and relevant information related to the Juan Bautista Valdez (Baldes) Land Grant and the Cañones Community Center.*
