Total grant amount requested:

W9 (upload a completed ad signed W9 form)

Project Budget

Detail your project budget with descriptions, line-item amounts, and total amount requested.

USA Artistic Swimming Foundation

Project Purpose

The mission of the USA Artistic Swimming Foundation is “We are committed to funding the growth of the sport and preparing today’s artistic swimmers to become tomorrow’s champions & leaders”. The Foundation wants to hear your innovative ideas that are in support of the mission!

Please describe your project and its goals and how it aligns with the mission of the Foundation. You may upload a more detailed explanation or supporting documents below.

USA Artistic Swimming Foundation

Timeline Detail

Tell us about your project's timeline. Are there particular dates for activities potentially funded by the grant?

Grant Impact

What is the expected impact of your grant request that will further the mission of the Foundation? What is the target audience for your grant? USA Artistic Swimming members, non-members, potential members? Tell about the grant's potential reach. How many could the grant impact or how deeply would the grant's impact be. If your grant project is a success.... what would the grant's impact be? Number of newly trained coaches, athletes or judges? Number of mentions in media? New artistic swimming athletes? Increased registration at meets? Other measures?

USA Artistic Swimming Foundation

I acknowledge the above is true and correct and if selected for a grant will agree to all the terms and conditions of the grant.
