This event is an opportunity to raise funds for Team USA and to cheer on Team USA as they compete in the Pan American Games to qualify for the Olympics.

Team USA will be in Santiago, Chile in November for the Pan America Games. A **win** at the Pan Am Games will secure a spot for Team USA at the 2024 Olympic Games in Paris!

Our toughest competition will be from Mexico and Canada. Team USA placed ahead of them at the recent World Championship in Fukuoka, Japan, where we medaled for the first time in sixteen years!
