

# ANNUAL GIVING LEVELS AND BENEFITS

# INTRODUCTION

Together, we can bring home the gold!

**USA Artistic Swimming** and the **USA Artistic Swimming Foundation** have joined forces to raise the vital funding required to provide the athletes of today and tomorrow with the opportunities, skills and tools necessary to fulfill their dreams. We are committed to supporting the sport at every level, from local clubs, coaches and athletes to junior, collegiate, national and masters teams.

Artistic swimming athletes are like no other in the world and push themselves every day in the pursuit of excellence. These athletes make huge sacrifices in order to represent our great country at the highest levels of competition.

With no government funding, support like yours is key and directly impacts these amazing athletes' journey to the Olympic podium.

Indeed, one of the most deeply embedded aspects of artistic swimming sport is its critical reliance on the **POWER OF TEAM**. We invite you to be part of this exclusive team that exemplifies the spirit and leadership that helps both young and elite athletes achieve their goals in U.S. artistic swimming.

We believe that the principles of family, teamwork and sacrifice for the greater purpose are essential for success. Most importantly, we share with you the hope and belief that we will, together, triumph with power and grace.

**The following pages explore the many ways to support the athletes of the USA Artistic Swimming teams...**

## CHAMPION CLUB \$10,000

We need Champions! Our National teams needs your help. Your gift will help fund an unexpected extra year of rigorous training schedules, college/education endeavors, and the cost of living away from home at our National Training Center.
