Support Etna Elementary

PTO Goals

The PTO aims to support the staff and students. We have an incredibly giving business community and are working to find ways for business to support the program.

Coupon Booklet

We would like to develop a coupon book that features deals and savings with local businesses. Students will sell the coupon book as fundraiser. Example coupon ideas are attached. PTO team can help with design of coupon.

Yearbook Ad

We have a goal this year to provide every student with a yearbook by raising the funds to produce the book through business ads. We are looking for 16 businesses to purchase an ad for \$150. Example ad page attached. PTO team and help with ad design.

Please reach out if you have questions or ideas! This is the first year we are developing these programs and open to feedback.

A horizontal coupon banner with a light brown background. On the left, there are faint line drawings of leaves. The text "Date Night" is written in a large, black, cursive script. A vertical dashed line separates the title from the discount information on the right. The discount is presented in a clean, sans-serif font, with "Discount" in a smaller size above the large "25%". White semi-circular shapes are located on the far left and far right edges of the banner.
