Dedicated to promoting Good Horsemanship, Liberty Horse Training and the Sport of Liberty

Welcome Liberty Enthusiasts!

We are here to help you to stay progressive with your training, connected to other like-minded enthusiasts and have access to accomplished Horsemanship and Liberty Training professionals.

Our BLHA Hub clinics are our highlight as this is where lots of learning happens!

On 15th July, we were so pleased to host International Equestrian Artist, [Emma Tytherleigh](#), at the BLHA Hub where she provided Liberty Demonstrations and How To Lectures to liberty enthusiasts. Emma is best known for her Trick Riding, but is also an accomplished Liberty artist and rides to a high standard with Classical dressage principles. More information about the event can be found on the [BLHA](#) and [Members Only - BLHA](#) Facebook page.

Our 2-day Calm, Confident & Capable Clinics were in high demand and we ran

two in quick succession with [Mia Rodley](#), a Founder Member and our Chief Coach. Both clinics offered amazing opportunities for supporting strong human/equine relationships, testing thresholds in a safe environment, and meeting likeminded people from across the UK. Members have been sharing their photos on [Facebook](#), so please feel free to have a look.

For more current news, why not join our [Facebook Group](#)? For more information, please send us an email at info@britishlibertyhorse.co.uk.

We hope to see you soon!

Monthly Challenge

A TRY = POINTS!

Members, from the most experienced to absolute beginners, are enthusiastically progressing through the [Monthly Challenges](#). All the Challenges are specifically created for BLHA Members alone by our Sports Development Team of [Professionals](#) and other professionals in the sport.

Some Member horse and handler combinations have kindly let us view their progress on our BLHA Monthly Challenges Facebook group to provide some encouragement for the more reluctant movie star! Why not join the [page](#)?

The next [Challenge](#), changing direction through a circle, has been created by Mia Rodley, one of our Founding Members, and is now available. You must get your submission in by the 15th of the month to receive professional feedback and points for the League Table.

For those of you who are new to the Monthly Challenge, you can find more information about the concept [here](#). All previous Monthly Challenges can be found [here](#).

... and don't forget, every time you submit your Monthly Challenge, you receive a League Point and get on the [BLHA Members League Table](#).

We encourage you to give it a go!

Upcoming Events

There's nothing better than doing stuff you love doing with likeminded people.

We have a number of events scheduled over the coming months. We would suggest you try to join in with as many as you can. There are numerous options to actively participate with your horse from beginner to advanced and we also offer a chance for Members to spectate - both options provide excellent opportunities to progress knowledge and training.

Exciting news! Stop the Press!

We are so excited to announce that we have secured Mia Rodley and designed and planned our first **'Truth' Liberty Clinic**. We are running it from **Wednesday 18th to Friday 20th August 2021**.

The clinic will cover on-the-ground and ridden work, building to liberty in open spaces. There will be a mixture of theory, horse behaviour and psychology, and the use of body language.

Three days and two nights, tuition from 10am-4pm, scrumptious lunches and evening meals, horse penning and campsite at a **Members Only price of £300**. Bring your non-Member friends for £385. Spectator spaces are also available. For more information, please visit our [shop](#). There are limited spaces and we operate on a first come, first served basis.

Our [Hack Track/Horsemanship Challenge Course](#) at Home Farm Stables, Napton-on-the-Hill, is available to hire on an hourly basis for Members, and we also offer private and semi-private [tuition](#) from our Professionals.

We welcome you to join in.

PROFESSIONAL SPOTLIGHT

Members Spotlight

Harriet (Hazy) first tacked up and got on a horse in 2017 it wasn't long before she began to think hard about what kind of horsewoman she wanted to be for the horse who was giving her so much.

BLHA soon came into her life and she has jumped in with both feet. Hazy is the "New Members Buddy" and is here to welcome all

newcomers.

We thought we would take a bit of time to find out what makes Hazy tick and you can find out more on our [Spotlight Interviews](#) page.

I think Hazy is another lover of wild places ...

MEMBER SPOTLIGHT

VOLUNTEER

We always need help to make sure everything about BLHA runs smoothly and meets our Members' needs - from technical and administrative to coordinating events - so if you feel you would like to explore our voluntary opportunities, please [get in touch](#).
