Memorial GridTM

A foundation for monuments & markers as an alternative to concrete

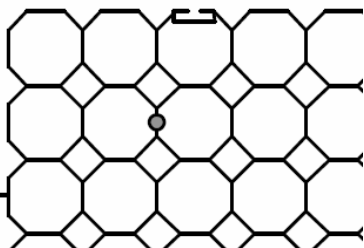

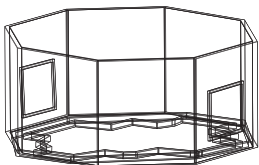

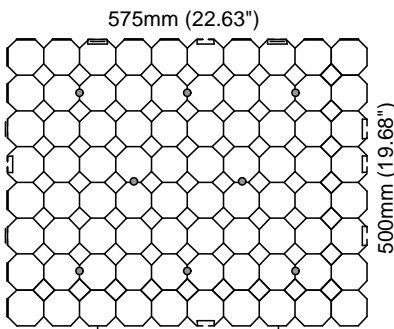

Sample-Pack(4 pcs)—from 2 - 4 monuments **\$75.00**

Medium-Pack(20 pcs)—from 10 - 20 monuments **\$295.00**

Large-Pack(96 pcs)—from 48 - 96 monuments **\$1320.00**

- An environmentally friendly & cost effective alternative to concrete
- Each grid has interlocking mechanism on all four sides, which allows adjacent panels to be connected in all directions
- 50/50 Blend of recycled and virgin plastic: meaning eco-friendly but also more sturdy, flexible and longer lasting. Best of both worlds!
- *Bonus!* Each grid comes with a geo-textile fabric heat welded to the underside of the grid. This means lower maintenance costs & better weight distribution.

*All prices in CAD and are subject to change at any time without notice.
