

## **The Republicans are the party of hate.**

The way they treat poor South American immigrants is inexcusable. We should treat them with love and acceptance. They need help and we need them for the jobs that nobody here will do.

Donald Trump bragged about groping women. He is a bad man and not worthy of any leadership position in our country. Women should be treated with respect, just as men should be.

Noam Chomsky correctly labeled him an "ignorant, thin-skinned megalomaniac".
