September 15th 4pm - 7pm

### About HFRA

Our mission is to contribute more to the community than just our daily emergency response. We utilize our observations during emergency calls and referrals from the community to reach out to people in need and improve their quality of life. Our contributions to the community often include but are not limited to: providing food, shelter, medical equipment/expenses, mobile devices for disabilities, house/property improvements, fulfilling end of life wishes, funeral expenses and much more. Almost all of our contributions are to low income families who struggle to pay for the expenses themselves.

HFRA is ran by a dedicated board of directors consisting of members from the Hillsboro Fire and Police Departments as well as local community members. Much of the volunteer work provided by HFRA is done by Hillsboro Firefighters.
