ANNOUNCING
THE HOLLYWOOD HUB
— LAUNCHING SUMMER/FALL 2025GO GREEN AND
SUPPORT YOUR
NEIGHBOR WITH
COMPASSION
BOUTIQUE

Compassion Boutique is making it easy to go green while helping those in need. We're currently accepting donations of clothing, shoes, accessories, blankets, towels, books, and small household items. Your contributions make a difference—both for the planet and for our neighbors in need.

VOLUNTEER
OPPORTUNITIES
WITH
COMPASSION
CONNECTION

Join us in helping our unhoused neighbors meet their personal care needs. Compassion Connection is looking for dedicated volunteers to assist with shower check-in, sanitization, and boutique support. Tasks include cleaning, restocking, and assisting guests as they select items with dignity and care. Your time and compassion can make a real difference.

W

e are excited to announce the upcoming launch of the Hollywood Hub, scheduled for fall 2025. This new initiative will expand the personal care services currently offered by Compassion Connection on the Hollywood Adventist Church campus.

With support from a State of California grant, the Hub will enhance our capacity to serve by partnering with Homeless Health Care LA to scaling up staffing and operations. This expansion will allow us to operate our existing shower and boutique services five days a week. Additionally, the Hub will introduce on-site laundry facilities, case management services, and mid-day food service.

The goal of the Hollywood Hub is to foster compassionate, meaningful interactions with clients as they meet their daily needs while providing direct access to case management. By strengthening these connections, we aim to improve client outcomes and support individuals in transitioning from the streets into sustainable housing.
