

SUMMER SIZZLES IN HOLLYWOOD

As temperatures rise this summer, Compassion Connection is here to ensure you beat the heat with comfort and care. Whether you've had a long, sweaty day or simply need a refreshing break, we offer a variety of services to keep you cool and hydrated.

At Compassion Connection, we understand the importance of staying refreshed. That's why we provide refreshing showers, available for scheduling through our website at Compassionconnections.org or directly at our guest services. Join us every Tuesday and Thursday from 9:30 am to 3:00 pm to enjoy a rejuvenating shower experience that will leave you feeling revitalized.

Through our valued partnership with Shower of Hope, we extend our services further by offering showers on Fridays from 9:30 am to 2:00 pm at our facility. These Friday showers are open for walk-ins, operating on a first come, first served basis, ensuring that everyone in need has access to a moment of comfort and cleanliness.

Looking ahead to enhance our services, Compassion Connection is currently in the process of constructing our very own shower trailer. After the departure of the Kohler Relief shower trailer earlier this year, our team has diligently collaborated with American Industries to design a custom shower trailer tailored to meet your needs. As we move into the build phase, we anticipate unveiling our new shower trailer for guests by December 2024.

Whether you're visiting for a quick refreshment or to browse our seasonal clothing options, we are dedicated to ensuring your comfort and well-being.

KEEPING YOU COOL AND REFRESHED THIS SUMMER

Until then, our commitment to providing personal care experiences remains steadfast, with services continuing inside the welcoming environment of Hollywood Adventist Church.

In addition to our shower facilities, Compassion Connection also offers water bottles to help you stay hydrated throughout the day, along with breezy fashions perfect for the season.

This summer, let Compassion Connection be your oasis in the heat, offering not just physical refreshment but also a warm, supportive community. Stay cool, stay hydrated, and enjoy the season with us. For more information on our services and scheduling, visit Compassionconnections.org or reach out to our friendly staff at guest services.
