

## A Message from the Camp Creek Membership and Board of Directors

Dear Prospective Member,

We appreciate your interest in Camp Creek Hunting Club and are hopeful that you will decide to apply for membership in our club. Since 1968 Camp Creek has represented what we believe to be the best in Southern sportsmanship and sporting values. We are a family orientated organization and place a high value not only on our own families' enjoyment and safety at Camp Creek, but the enjoyment and safety of the families of our friends and fellow sportsmen. Over the years we have enjoyed the benefits of our close relationship with each other and our ability to set and reach common goals based upon our mutual values and common expectations of each other.

We strive to be consistently courteous and respectful of our fellow members, their respective families, their opinions and their property. We at all times seek to reach consensus among our members on all issues relating to the operation of the club, its membership, finances and game management policies. We place value on the opinions and views of all members and believe that each member is an equal owner in Camp Creek Hunting Club. Likewise we insist that each member take ownership and responsibility for the stewardship of club property, its finances and assets while advancing our mutual goals.

In order to maintain the club that we have inherited from past generations of outstanding sportsmen, many of whom have now passed away, and in order to ensure the continued success of our club and its membership, each of us, without exception, has agreed to be bound by a "Code of Ethics" expected of each member, his family and his guests that may visit Camp Creek from time to time. We are convinced that the "Code of Ethics" represents a spirit of sportsmanship, shared values and mutual respect necessary for the continued success and enjoyment of the entire membership. The "Code of Ethics" is included in the Membership Application packet and as a condition of membership must be acknowledged as standards to which you agree to be bound.

In the spirit of maintaining a membership of like-minded sportsmen and gentlemen, the Board of Directors will closely consider your application should you seek to apply for membership. The Membership Application must be fully completed and attested by at least one current member in good standing. In reaching a decision on applications for membership, the Camp Creek Board of Directors places a high degree of importance and reliance on the Membership Application. It is therefore imperative that the information supplied to the Board of Directors in the Membership Application be completely accurate and truthful and *any information* determined by the Board to be inaccurate, incomplete, misleading or false will result in denial of the application or, if determined to be inaccurate, incomplete, misleading or false after membership has been granted, may result in the immediate expulsion from membership in Camp Creek Hunting Club. In such event no refund of dues previously paid will be made. We encourage you to give appropriate attention to detail to all information supplied in your Membership Application.

We hope that you will understand and appreciate the guarded nature of our application process. It is, quite simply the product of our respect for the entire membership, our desire to continue with a membership of like-minded sportsmen and our love for a club built over decades of sharing common goals, values, attitudes and beliefs.

We hope that you will apply to join us.
