# Wholesale Pricing Details:

*Have your own canning line but want to advantage of our unique shrink wrap program? No problem! See below for details:*

- Save on storage with our program by fulfilling your sleeve needs as you go, rather than ordering in bulk up front.
- To get started, we require a minimum initial order of 6 pallets worth of sleeves, with the flexibility to include multiple SKUs. However, you can apply sleeves in as low as 1 layer at a time.
- A sleeve deposit is due within 72 hours of order submission and will be applied as a credit to your customer account; it is non-refundable.
- Shrinkage fulfillment orders will be completed within 10-12 days of the customer's request.
- Ends are not included in the wholesale price.
- LTL shipping is arranged by Tap Hopper, and the cost is passed on to the customer. Customers also have the option to pick up or request Tap Hopper delivery as an alternative to LTL.
- Dunnage must be saved/stored at the customer's business location for return to Tap Hopper.
- We offer free storage of shrink-sleeved pallets/materials for up to 9 months.
- Any sleeves remaining that have not been heat-shrunk after 12 months will be billed at cost plus 30%.
