

# INTIMIDATOR™ 19XPC

## 19" Capacity Hand-Fed Chipper

The Intimidator 19XPC is a powerful drum-style chipper that can **easily handle** big limbs, forked material and whole trees. It's an **extremely versatile chipper**, with one large 15-3/4" diameter top feed wheel, the 19XPC has the power to pull in the largest limbs and even whole trees. With its solid steel welded construction, proven feed system, durable components, and chip throwing technologies, the Intimidator 19XPC is a **favorite for tree services** needing a high-capacity chipper that's easy to maneuver.

19XPC

### CONTINUOUS APPETITE

Tree services faced with challenging materials moving from jobsite to jobsite while fulfilling city-wide maintenance contracts, lot clearing needs, or storm cleanup calls can benefit from the versatility of the 19XPC. This powerful 19" capacity brush chipper comes with the strength, components, and engineered force to process many types and densities of wood from largely forked limbs to masses of leafy and bushy material. It is the closest that a hand fed chipper can come to a one size fits all solution in order to conquer what nature can throw at it.

### FEED, CRUSH, CHIP, REPEAT

The Intimidator 19XPC easily handles limby material with its large throat opening and Bandit's proven slide box feed system. Two powerful, dual 25" wide horizontal feed rollers are positioned within inches of the chipping knives, firmly pulling and pressing trees and branches for chipping. The 19XPC has a powerful drum reinforced with internal baffles, boasting more torque with its downward motion to process a heavy concentration of compressed material. The rugged construction and heavy-duty components throughout the Intimidator 19XPC help ensure long life and trouble-free performance.

### WHY CHOOSE BANDIT

Bandit chippers have proven over time to be the best decision you can make for a long-term investment in a brush chipper. Like all Bandit models, the 19XPC is derived from years of research, engineered for maximum performance, built with strength to have the longest lifespan on the market, and equipped with features that increase operator productivity over a lifetime.

Choose from two standard colors, or select a custom color to match your fleet.

Bandit Yellow

Green

### DIMENSIONS

Capacity:	19"	48.26 cm
Opening:	20.5" high x 20.88" wide	52 cm x 53 cm wide
Drum:	37" dia. x 22" wide	94 cm dia. x 55.9 cm wide
RPM:	Approximately 1,080 RPM	
Hitch:	2-1/2" pintle hitch	

Discharge: Height-adjustable, 360° hand crank swivel with 12" (30.5 cm) adjustable chip deflector

Feed System: Slide box feed system with (2) 21" (53 cm) adjustable down pressure springs, (1) top feed wheel 15.75" diameter x 24.5" wide (40.01 cm x 62.23 cm), (1) bottom feed wheel 10.63" diameter x 24.5" wide (27.00 cm x 62.23 cm) powered by (2) 63.9 CID hydraulic motors

Frame: Mainframe is constructed of 3/16" x 2" x 6" rectangular tubing (0.48 x 5.1 x 15.24 cm)

## COMMITTED TO QUALITY & SERVICE

### The Bandit Backbone™ Support

The Bandit Backbone is Bandit's commitment to customer service and support. It's always been a cornerstone of Bandit's philosophy, and today that backbone is stronger than ever. If you own a Bandit hand-fed chipper—regardless of the age, hours, or warranty status—the Bandit Backbone is here to support you.

### We Are Here to Support You

There are nearly 200 dealer locations in the US and over 60 international dealers to support you. They are factory trained. Plus we have an experienced parts and service department supporting you and our dealers.

## INTIMIDATOR™ 19XPC FEATURES

- **Rope/Line Shear Device (standard)**  
Provides an improved chance that rope or lines inadvertently entering the chipper may be cut
- **Last Chance Cables (standard)**  
Stops/reverses the feed wheel when pulled in case of an emergency
- **Operator Safety Control Bar (standard)**  
Wraps around 3 sides of the infeed chute & controls the direction of feed wheels
- **Wood Pusher Paddle (standard)**  
Used to feed small wood debris into the chipper
- **Chipper Hood Pin w/Padlock (standard)**  
Prevents unauthorized access to the disc or drum
- **Chipper Hood Engine Disable Plug (standard)**  
Prevents engine from being started without the hood pin in place
- **Hydraulic Bottom Bump Bar (option)**  
Stops feed wheels via mechanical connection when bumped, diverting hydraulic power away from the feed wheels
