Incentives for donating Scratch Off Lottery  
 Tickets for the In-Vette-Tational Tricky Tray Auction  
 Lottery Tree

It is that time of year again to ask for your support to purchase PA Scratch Off Lottery Tickets to place on the Tricky Tray Lottery Tree.

Everyone that buys \$5.00 worth of club 50/50 tickets at our April, May, June, and July meetings will have the opportunity to trade in their donated scratch off tickets and get additional club 50/50 tickets for FREE. The more you donate, the more chances you have to win the club 50/50 drawing. Below is how it works.

- Bring in a \$1.00 ticket and receive 2 additional club 50/50 tickets
- Bring in \$2.00 worth of tickets and receive 3 additional 50/50 tickets
- Bring in \$3.00 worth of tickets and receive 5 additional 50/50 tickets -
- Bring in \$4.00 worth of tickets and receive 6 additional 50/50 tickets
- Bring in \$5.00 worth of tickets and receive 7 additional 50/50 tickets

The only catch is you must buy your club 50/50 tickets first to be eligible. Anyone not wishing to purchase scratch off lottery tickets or forgot them, can buy their club 50/50 tickets first and give Janet Schmidt the cash equivalent of the scratch offs at the membership meeting and she we will buy them for you.

Distribution of your additional 50/50 tickets will be from Ken Speicher and Art Salyards at the entrance of the monthly membership meeting.

# 45TH ANNUAL IN-VETTE-TATIONAL NEWS

by Bob Messner

Planning of the final details for our 45th In-Vette-Tational is going great thanks to the continued efforts of the 24 members of the In-Vette Committee. With less than two months until the In-Vette on July 19, there are a lot of planning activities going on during our meetings as well as behind the scenes. You would imagine after 44 years of organizing this event it would be routine, but it is anything but that.

As chairman of our In-Vette I recognize that the success of our event happens because of the team work and generosity of everyone that contributes their support. This includes all club members along with our sponsors and community. On behalf of the In-Vette Committee we extend our appreciation for your support, participation, and donations.

The rewards to our club, community and participants are plenty. Just watch our club's planning come together on the day of the In-Vette, highlighted by everyone's fun along with hundreds of show cars being admired by car enthusiasts with a passion beyond the normal. Watch our club member's exceptional team work in action. Watch with pride the presentation of our scholarships to 4 local youth preparing for their future made possible by the Skyline Drive Corvette Club Scholarship Program. We recognize and appreciate John Secoges's efforts leading our Scholarship Program's interface with the local vo-tech students and vo-tech school faculty. John is proudly extending the dedication and efforts previously lead by Barry Goodhart. Be sure to introduce yourself to our 2025 Scholarship recipients, each will have a lanyard with their name and school along with an In-Vette hat.

Advertising our In-Vette is also an important task that is key to our show car registration and community recognition for the great things we do as a club. Hundreds of flyers have been printed and distributed, advertisements on Facebook, the National Corvette Museum magazine, the Cruise News, and other car show publications and web sites. Again this year Berks County AAA published an outstanding article/advertisement in their magazine promoting our club, our Scholarship Program, and the In-Vette composed by Donna Baumener that has been read by likely hundreds of people. (See our May Club Newsletter or the club website to read her article) Thank you Donna!

The annual invitation from past club president Tom Frank in conjunction with the Berks Cable TV's Victory Show will sponsor a TV interview July 3rd at 6:00 PM on BCTV to promote our Club and the In-Vette with several members of the In-Vette Committee (representing all members of our club). Watch Tom Frank, myself, our Club President - Brian Blankenbiller, Assistant Chairman of the In-Vette - Jim Johnson, and Club Activities and Scholarship Chairman - John Secoges.

Watch for the In-Vette advertisement on local electronic billboards. Lamar Advertising will again sponsor the In-Vette with time on their electronic bill boards beginning June 23 at a location along Business 222 south of Shillington and Revere Blvd. Also emails blasts were sent to everyone that registered their vehicle in 2024 and also many local car clubs.

The following are some highlights of the In-Vette along with a few reminders of opportunities to contribute to the In-Vette.

Easy one! Support the Registration Team Leaders Andy Stalnecker, Ted Stalnecker, Ann Stalnecker, Mike Brennan and the Registration Team Volunteers, pre-register your car using the registration form on the back of the flyer attached to this newsletter.

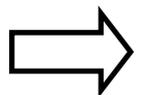

Volunteers! We still need your help on the day of the In-Vette-Tational. Small tasks and short time commitment, contact Bob Messner or Jim Johnson.

Auction Baskets needed! We want to repeat last year's success and make an impressive display of baskets on the Auction table, contact Marie or Andy Stalnecker. Not good at making a basket, no worries, give your donation in cash to Marie and she will make a wonderful basket happen on your behalf.

Meet our 4 Scholarship Recipients from local Vo-Tech Schools - Presenting custom made Vo-Tech School Choice Trophies.

Meet our VIP guest! Amy Hardin National Corvette Museum, Director of Development - Presenting the National Corvette Museum Choice Trophy.

Meet our VIP guest! Wes Wong - Prat Miller Motorsports Brand Ambassador representing the Corvette Race team - Presenting the Pratt Miller Motorsports Choice Trophy. Wes will also share racing stories honoring his close friend and our past NCM Ambassador Ron Grove.

**CONTRIBUTE TO IN-VETTE TROPHY COSTS**

Please consider contributing to the cost of trophies for our upcoming 45th Annual SDC In-Vette-Tational Car Show on July 19th, 2025. The suggested contribution for an individual is \$35.00, and only \$50.00 for a business.

All those who contribute to the cost of trophies will have their name/company name listed on a large poster at the In-Vette. If interested, please print and complete the "2025 Trophy Sponsor Form", available in this Newsletter or on our website and give to Ken Speicher, Art Salyards, or Bob Messner along with your check. ### **CORVETTE FUN FACTS**

First Corvette with a transaxle: To better balance and improve the handling of the fifth-generation Corvette, which debuted in 1997, Chevy engineers moved from a traditional transmission location, which is bolted to the engine, to a transaxle design that moves the gearbox to the rear of the car. The design has remained through the C6 and C7 generations.

## **BOARD MEETINGS**

All SDC Club members are welcome to attend the monthly board meetings as spectators. Because of time limits on the use of the meeting facility, up to 2 groups or individuals with issues or concerns are able to be accommodated with a ten minute presentation time limit each, so that regular board business can be dealt with. If you have an issue, you must contact the Lisa Heck 610-413-1052, to get added to the agenda.
