AUGUST MEETING MOVED TO THE 4th

The August club meeting will be held on the 4th. This is one week earlier than usual. This is because the mystery trip starts on the 9th. Menu: Fresh Seasoned Baked Chicken or Homemade Chicken BBQ sandwich Sides: Homemade Macaroni & Cheese, Garden Salad and a Drink. The September meeting will resume the normal 2nd Monday of the month.

FROM THE PRESIDENT by Brian Blankenbiller

Hey gang! Massive kudos to the InVette committee for a very successful, albeit wet, show!!!! Bob Messner's leadership is unparalleled! Gonna miss it but I have no worries that Jim Johnson will follow well in his footsteps!

Hope everyone is enjoying all these great activities that our Activities Committee has been having for us this year, no excuses for saying there isn't anything to do with the Club! Looking forward to the Mystery Trip and Carlisle upcoming in August! Remember, we're always looking for feedback on anything we do as a Club to help make it the best it can be!! Save the Wave!!

45TH IN-VETTE-TATIONAL RECAP by Bob Messner

Our 45th In-Vette-Tational is now in the books! Undeterred by steady showers, our club hosted an extraordinary car show. Watching the teamwork and organization of everyone doing their part was impressive and noticed by many that attended. We were honored to be joined by two VIP's, Amy Hardin from the National Corvette Museum and Wes Wong from Pratt Miller Motor Sports.

Their enthusiasm to travel many miles to attend our In-Vette-Tational speaks volumes about the integrity and history of our club that combines Corvettes with fun and an aspiration to give back to our community. Wes spoke of his friendship with our past club president and NCM Ambassador Ron Grove along with stories of Ron's participation with the Corvette Racing team around the world. Like each of us, Wes knew well how important Ron's friendship and his many contributions were to our club.

To my amazement about 12 race cars and drivers arrived in the rain to support our In-Vette-Tational theme of auto racing. That included club member Craig Kercher, he was still working on mechanical issues on his race car with only 3 days to go before the show. Committed and determined to have it included. I was thrilled to see it arrive as I watched him still adding his new racing numbers as his final touch while parked on the show field. The parking and registration team efficiently managed each vehicle that attended of the 223 registered.

A record 30 vendors including our club sponsors attended and setup outside (rain dripping from their tents) and indoors thanks to the efforts our In-Vette Marketing Director Donna Baumener, thank you Donna! The Tricky Tray Auction tables looked impressive with the large number of donations and bidders circling the tables all day. All of my many auction tickets filled only one bucket for that black corvette racing hat signed by the Corvette Race team drivers and donated to the auction by Wes Wong. Thinking it had to be my take home souvenir of the 45th, how could I lose with so many tickets in that bucket, but I did!

Three SDCC Scholarships were proudly presented to our local youth, made possible by the contributions of our members, sponsors, and the organization of our Scholarship Chairman John Secoges. Like no other local car show, we awarded 51 trophies! This year the In-Vette Committee chose to name our most prestigious Best of Show trophy to be a memorial to Barry Goodhart. It was presented by his daughters backed by the support of every club member to their chosen vehicle a brilliant 1956 Chevrolet Bel Air. A complete list of our 2025 In-Vette-Tational Trophy winners is included at the end of this newsletter and in our club website. Congratulations to each of our winners! Top it off with a presentation by the Reading Police K9 team, a Loud Exhaust Competition, great food and a live band, our 45th despite some rain was a great day.

Behind the scene, hours of efforts go unnoticed that are volunteered throughout the year by many to keep our club fun and filled with opportunities to enjoy our Corvettes. During this year's In-Vette one of those unplanned extra efforts diverted a significant issue. A car show without sound equals a very bad situation! When our sound team found themselves in a panic without their computer that was key to their system only hours before our start time they called Brian Fisher, with a "what to do?" Brian already in route from his home to the In-Vette when he got the call, stepped up in a major way, turned around went home and prepped his own PC in record time and with the speed of a ZR1 got to the In-Vette.

In addition he provided assistance to the sound team setting up speakers, running cables, testing and all that goes into making sound. With only moments to go until I began the Opening Ceremony they flipped on the microphone and success, we were in business. Brian made it happen and truly saved our day as the behind the scenes hero of the 45th In-Vette. We salute Brian with much gratitude for all he did that morning. I would also like to recognize Andy Hill for his years of support to the In-Vette planning and painting lines on the show car field followed by organizing the parking team of volunteers to safely and efficiently park our show cars. Our thanks goes out to Andy along with Mitch Zeigler, Virt Hilliker, and Rich Bare for painting lines for our show car parking and vendor spaces. On behalf of the members of SDCC we wish Andy and Karen good luck, a happy well deserved retirement in your new home in Florida.

Editors Note: All Trophy winners listed EON (end of newsletter)
