FROM THE PRESIDENT

by Janet Schmidt

We were able to get our January meeting in before bad weather this year. A big thank you to Linda Spangenberg for reserving the meeting room at Alvernia Univ. for 2019.

Congratulations to Bruce Kleckner – Board Chairman, Ken Speicker – Secretary of the Board, and Andy Stalnecker our new Activities Chairman. Lots of activities on the calendar for 2019. The Atlantic City bus trip is full per Barry Goodhart.

Our Master Ambassador to the National Corvette Museum in Bowling Green KY – Jack DeLong has reserved a block of rooms for the Bash to be held April 25-27, 2019. He has 3 rooms left at the Hilton Garden Inn Bowling Green at a cost of \$109 per night. If interested please contact Jack.

Andy Stalnecker will start 2019 activities with a meeting Monday Feb. 4, 7PM at Bob Fisher's used car building, and he is looking for committee members and your ideas. Bob Messner will start the 40th Invette Committee meetings on Thursday February 21st at 6:30 PM at Bob Fisher's.

Your help on Saturday July 20th will be appreciated. Sue Snyder will have more information on making reservations for the Party in the Poconos.

We have many events in the planning for 2019, but if you have not renewed your membership you may miss out. The Board hopes that you will reconsider renewing and if there is a reason you have not please feel free to share with me or a fellow board member.

Remember to patronize our sponsors.
Save the Wave! Let's get involved!

FACTORY ORDER C7S AND C8 UPDATE

I received the 2019 Model Year Build out sheet in late January. As of then, the C7 does not have a current build out date. What does that mean to you? It means they have no current production date for a 2020 or a potential C8 design change.

If you are interested in the current C7 body style, we can still place factory orders. If you have been thinking about ordering a C7, now is the time to do it. GM will start to put constraints on certain options and reduce availability soon.

THE BASH

NATIONAL CORVETTE MUSEM-April 25-27, 2019
Time to Start Planning

The kick-off event at the NCM each year is the "Bash" and it traditionally highlights the rollout of the next model year Corvette. With the new C-7 ZR1 recently unveiled what could be new you ask? If you cannot answer that, you must be in another world! Mid-engine, end of the C-7? Well, the place to be is at Bowling Green. Seminars will feature speakers detailing chassis, power train, interior design, and manufacturing all presented by a large contingent of GM designers, engineers and assembly plant representatives. There is no other venue that brings you so up-close and personal to those that design and build the cars that we drive.

There is much more on the itinerary including several road tours, and a wonderful closing banquet, a ladies oasis, poker run, race team seminar and more. To view the whole agenda, go to the NCM web site, www.corvettemuseum.org and click on events. Registration is not yet open but if you are interested do not delay because some of the events are space limited. The NCM website indicates that event registration will open in January, 2019.

Hopefully, but not yet announced, there may be track time for spirited Touring Laps, well at least we are hoping that the NCM continues the tradition of the last three years, and I have been informed that there will be a "lapping day" on Thursday. And there is a new activity-- a day at the shooting range under the direction of Wes Wong, NCM Board of Directors member and retired FBI agent.

In addition, The Museum in Motion Tour "Tail of the Dragon" departs at the conclusion of the Bash and heads to Ashville, N.C. for four additional days of adventure. Again, go to the Museum website and click on "Events" for full details.

We are going so if you would want to travel with us, please contact Jack or Dor at 215-657-4418. We have already made our reservations at The Hilton Garden Inn, Bowling Green, Kentucky. In order to get the SDC discount at the Hilton Garden Inn, contact us for details as we have negotiated a special deal for SDC members. I have a block of rooms reserved at the Hilton Garden Inn, right at the Convention Center.

As I receive more detailed information, I will update at the Club meetings and in this newsletter.

Jack DeLong NCM Club Ambassador

UPDATE: 3 rooms left
