43RD ANNUAL IN-VETTE-TATIONAL NEWS

by Bob Messner

Skyline Drive Corvettes 43rd Annual In-Vette-Tational – Saturday July 15, 2023

Mark your calendars to reserve Saturday July 15, 2023 to participate in our club's 43rd In-Vette-Tational. Last year our 42nd In-Vette set a record with 324 registered vehicles of all makes and models attending along with record proceeds that supports both our Skyline Drive Corvettes Club Treasury and our Scholarship Program for local youth. Many thanks to our entire membership, every sponsor, and contributor that participated in that success.

Our club's 2023 In-Vette-Tational Committee is getting organized with 25 club members so far agreeing to serve on this Committee. Also working behind the scenes with their support is our SDC Board of Directors, Club Officers (several of which also serve on the In-Vette Committee), and many dedicated club members that help in many ways. The synergy of everyone's teamwork is key to making our In-Vette-Tational successful and most importantly fun for our club, community, and every car enthusiast.

The In-Vette Committee is open to all of our members to join! It is a great way for new members to get involved along with long time members to share new ideas and proven ideas from the past 42 In-Vettes that made this great tradition fun. If interested email me directly at bobmessner1@gmail.com or let me know at any of our club membership meetings.

The In-Vette Committee meets once a month starting in March at Bob Fisher Chevrolet's Truck Center Conference Room with no obligation to attend every meeting. As always we are looking for opportunities now to invite new car clubs, vendors, and sponsors to continue to grow our event. If you have a recommendation of a car club or business please contact myself or Donna Baumener.

NATIONAL CORVETTE MUSEUM NEWS

by Ron Grove

The Corvette Assembly Plant is offering tours to watch the C8 Corvettes being built on the assembly line. Tickets can be ordered on-line at the National Corvette Museum website and should be booked in advance. The tours are not available on weekends and certain blackout dates. Must be 13 years or older, no cameras, phones, electronic devices. Must wear closed toe, closed heel shoes. No walking assist, such as canes, walkers nor crutches.

The Michelin Bash will be held April 27 – 29. The event includes seminars by Michelin, Mobil 1, Corvette Engineering Team, Bowling Green Assembly Plant, guided road tours to local attractions, vendors and a live auction. Corvette Engineers typically discuss current C8 production specs and may release future C8 options. No doubt the new C8 E-Ray will be on display.

Vets 'n Vettes presented by Mobil 1 will be held May 11 – 13. NCM event to honor our veterans.

Mark your calendar for the 29th NCM Anniversary Celebration August 31 – Sept 2.

EVENTS CLUB SPONSORED

FEBRUARY CLUB MEETINGS

The February 13th General Membership Meeting to be held at Alvernia 7pm. The **Board of Directors** meeting will be held at Fisher on the 20th at 6:00pm

IN-VETTE-TATIONAL, JULY 15 see front page

MYSTERY TRIP, AUG 20-23 This trip is now closed

DISCOVERY TOUR 23, SEPT 5-11 2023

Discovery Tour '23 will be held September 5th thru the 11th. This is a mystery style trip. We estimate the cost of the trip to be \$1400 - \$1500, all fine details are not yet finalized so the cost is not yet complete. I would expect to have a finalized cost by April. If you are interested in participating in the tour we will be starting a names list at the February meeting or contact Ted or Ann Stalnecker through phone or email.

OCEAN CITY WEEKEND, SEPT 8-9

Note the new time frame. This week will be more expensive and hotel rooms may be limited. It is unclear at this time if SDC will make this a club event.

BOARD MEETINGS

All Skyline Drive Corvette Club members are welcome to attend the monthly board meetings as spectators. Because of time limits on the use of the meeting facility, up to 2 groups or individuals with issues or concerns are able to be accommodated with a ten minute presentation time limit each, so that regular board business can be dealt with. If you have an issue, you must contact the Lisa Heck 610-413-1052, to get added to the agenda.
