JACK DELONG TO STEP DOWN AS NCM AMBASSADOR

Jack DeLong, who has served as NCM Ambassador to our club for 10 years, has informed the Board of Directors that he is stepping down from the position. Jack has done an excellent job in keeping SDC members informed with NCM activities. Everyone in the club should give a special "Thank You" to Jack for his dedicated service to both NCM and SDC.

This is a very important position and we already have one volunteer. The BOD asks that anyone who has an interest in serving to contact a BOD member ASAP or come forward at the March membership meeting.

NO **NEW MEMBERS** this month

FROM THE PRESIDENT

by Janet Schmidt

I was sorry we had to cancel the February meeting due to snow but hopefully we will have good weather for the Monday March 11th SDC meeting.

With regret, I would like to notify the membership that on February 3rd, 2019 Jack DeLong sent an email to the Board announcing that at the NCM Bash in April he will inform the NCM Membership Director of his decision to step down as SDC's Master Ambassador. Thank you Jack for your many years of service.

I would also like to make note that there will be no monthly drawing of Corvette tickets purchased from the Museum. In order to purchase a car raffle ticket you must be physically in Kentucky presently according to their web site.

I would like to thank Nancy & Jim Jack for setting up our June & August meetings at Exeter park, and thank Barry Goodhart for arrangements for the July meeting at Galen Hall. Thanks to members; Cheryl Micale, Diane Suchon, Ken Speicher, BOD, and Ted Stalnecker, Treasure for the completion of our audit.

Please be sure to read the Board Minutes and the Calendar of upcoming events. Committees have been busy setting up activities for 2019.

Remember to patronize our sponsors. Save the Wave! Let's get involved!

CALLING ALL ACTORS

actresses, fun loving characters or anyone who has ever thought about having some fun on stage - as in a murder mystery among friends.

Don't know how many of you remember the murder mystery we put on up in Vermont at Big Bear's Lodge. It was such fun and everyone got into the act with costumes and props.

Well, we're going to do it again at the "**Party in the Poconos**". So if it looked like fun, this is your chance to jump on board - this time set during the class reunion of "CLASS OF '89 AT JAMES D. MURDER HIGH". It is not a set, scripted play, just dialogue suggested to find out who dies and "who done it". Some of the characters are:

NICK NIXON- Class President. He led the class in 1989 and hopes to lead the country in 2020. Does this presidential candidate have too many skeletons in the closet.

JOE NEBRASKA- The Jock. As the captain of the football, basketball and baseball teams, he is a legend and intends to keep it that way.

NATALIE NEBRASKA-The Cheerleader, Joe's wife. Popular and perfect.

PAMELA ABDUL- The Pompom Captain. Queen of dance and has gone on to great stardom in choreography.

MOLLY RINGWORM- Molly is known to steal the show, whether in the school musical or her current soap opera hit, "THE BRASH AND BRUTAL".

CINDY CRAWFISH- The Class Flirt. Cindy is still vibrant, bold and unmarried after thirty years. The women at the reunion may want to protect their "man".

STEVE SPIELSON- Audio visual geek, turned Hollywood movie director. Said to be the most successful of all the classmates, but has he betrayed too many on his way to the top.

BYRON P. KEATON- The math geek. Back to strut his stuff to show how far money can take you.

RANDY REPORTER- Newspaper Editor. With a presidential candidate in the house, Randy is determined to get any scoops he can get. Randy will keep the audience updated as to happenings as they occur.

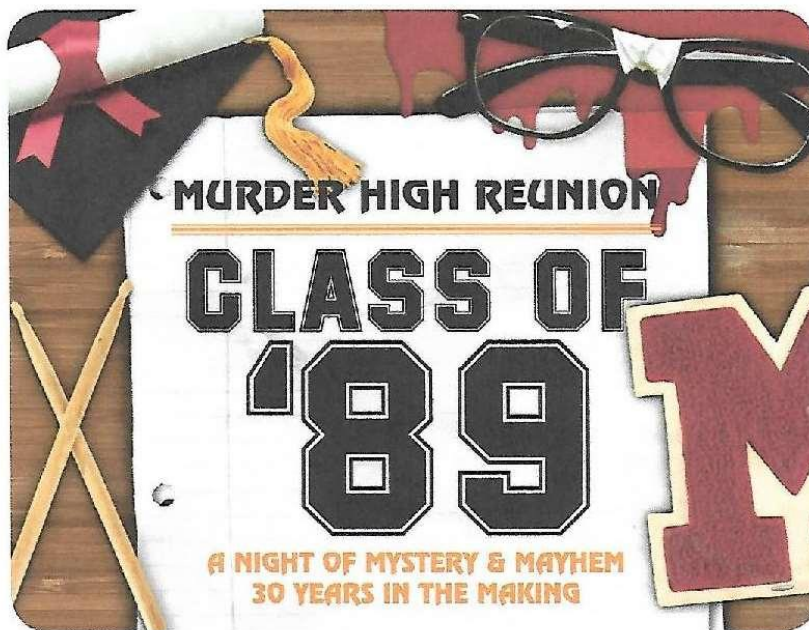

TERRY JOHNSON- Hall Monitor. Terry was hard-nosed in school and even more so now that he is a traffic cop.

DANNY DRUMM- Music was and is his passion. Has written some music which was used, but never paid for.

B.A. BARRICADE-The Punk. Never one to take orders well, he does it now for money in his private security company.

As you can see, 12 willing, fun loving and innovative actors are needed. You will be given lots of info and suggestions as to what to say and do, but then you can go with your own translation with each character. The remaining lot of members are encouraged to dress and carry on with the 1989 vibe. Should be super fun Please contact Janet Blankenbiller(r63split@yahoo.com or 610-929-5627) or Sue Snyder vettesu-ern@comcast.net(610-926-4937), when you are ready to take on a character's part.

We will have a short meeting after the March general meeting to get started. If you choose a particular character, we will then send you more info on that part. Give it a shot and see how much fun this can turn out to be. It is strictly for fun and you can let your imagination have a run.

IT'S THE JAMES D. MURDER HIGH 30 YEAR REUNION!

You've come a long way in the last 30 years and so have your classmates. It's time to reunite with your old friends (and enemies) to see what everyone has become.

Unfortunately for one of you...it is a murderer who is destined to strike.

Will it be the math team captain who is now a financial wizard with millions? The valedictorian who refuses to let anyone top them? Ever. Or possibly the class president who is now a U.S. presidential hopeful? You'll have but one night to figure it out and bring the killer to justice.

Get ready for a night of mystery and mayhem intertwined with rivalries from the past that spill over to the present. At Murder High, it's not only what you were, but what you've become. And let's hope it's a survivor.

**IT'LL BE A REUNION YOU WON'T FORGET,
IF YOU LIVE TO TELL ABOUT IT.**

ATLANTIC CITY TRIP RECAP

By Barry Goodhart

This was 19th annual SDC bus trip to Atlantic City to one of the largest winter classic car and specialty car auction, located indoors at the huge Convention Center was enjoyed by all who attended.

The show had a large selection of classic, a few antique cars and hot rods that went through the auction. There were 181 vehicles that cleared the auction on Saturday, some had a reserve and many did not! This is a four day event and drew cars entries and vendors from all over the USA and included the usual flea market and craft vendors.

SDC had filled the Klein bus with 44 members and guests ready to enjoy all the excitement that the convention center and Bally's could offer for the day. Everyone on the bus received a \$15.00 slip from Bally's to cash in and maybe win a little more at their casino, no one was bragging that they hit it big at the casino! No one had to wait in line to get into the convention center, because we had tickets ahead of time and zipped right in. Klein's bus was on time and by 5PM all were on bus and on way back to arrive at the Breakfast Hut by 7:30 were we started. Hope to fill a bus next year.

SKYLINE DRIVE CLEAN UP SATURDAY APRIL 26

Skyline Drive Corvette club has been assisting the Blue Mountain Region of the Sports Car Club of America for the last 4 years with the annual cleanup of the Duryea Drive and the Skyline Drive road. SDC club volunteers would be helping with the cleanup from the Pagoda to the Fire Tower on Skyline Drive.

This clean up would be picking up and cleaning up trash (bottles...can's...and anything that does not belong on the road area. If anyone is interested in volunteering, the SDC volunteers and friends will meet at the city park band shell road between 8:00 AM & 8:15 AM on Saturday April 26 and then proceed up to meet the Blue Mt. crew and then to the Fire Tower.

Volunteer's need to bring gloves and any items you might use to pick up junk, trash bags, bottled water, safety vests, safety cones and signs will be provided plus they will pick up all the trash bags we fill. This cleanup of the Skyline Drive road by SDC club will be a big help to the environment and show our club, does care about our club name. Volunteers can spend as much time as you want in helping. You can arrive a little late if that fits your schedule. When finished, usually around lunch , we will re-group and head for a little lunch provided by the SDC club. There will be a sign up sheet at the March & April meetings

AACA OPEN HOUSE see end of newsletter

AACA Museum Open House on March 22, 2019 (6:00-9:00 PM)

The AACA Museum is holding an open house and they have invited SDC club to participate in this event. This is a great chance to see a world-class museum as a no charge (free) guest to attend this open house. It will feature a newly available club-curated space for clubs to recreate their showroom scene in the new gallery.

The museum does require a RSVP by March 15th to be prepared with enough refreshments. There will be a sign-up sheet at our March 11th general membership meeting. Anyone not able to attend the meeting and who would like to sign up by March 15th, please contact Barry Goodhart to be put on the list.

If we decide to have a club caravan, meeting time and location will be provided via an email blast.

THE BASH April 25-27, 2019

The kick-off event at the NCM each year is the "Bash" and it traditionally highlights the rollout of the next model year Corvette. With the new C-7 ZR1 recently unveiled what could be new you ask? If you cannot answer that, you must be in another world! Mid-engine, end of the C-7? Well, the place to be is at Bowling Green. Seminars will feature speakers detailing chassis, power train, interior design, and manufacturing all presented by a large contingent of GM designers, engineers and assembly plant representatives. There is no other venue that brings you so up-close and personal to those that design and build the cars that we drive.

There is much more on the itinerary including several road tours, and a wonderful closing banquet, a ladies oasis, poker run, race team seminar and more. To view the whole agenda, go to the NCM web site, www.corvettemuseum.org and click on events. Registration is not yet open but if you are interested do not delay because some of the events are space limited. The NCM website indicates that event registration will open in January, 2019.

Hopefully, but not yet announced, there may be track time for spirited Touring Laps, well at least we are hoping that the NCM continues the tradition of the last three years, and I have been informed that there will be a "lapping day" on Thursday. And there is a new activity-- a day at the shooting range under the direction of Wes Wong, NCM Board of Directors member and retired FBI agent.

In addition, The Museum in Motion Tour "Tail of the Dragon" departs at the conclusion of the Bash and heads to Asheville, N.C. for four additional days of adventure. Again, go to the Museum website and click on "Events" for full details.

We are going so if you would want to travel with us, please contact Jack or Dor at 215-657-4418. We have already made our reservations at The Hilton Garden Inn, Bowling Green, Kentucky. In order to get the SDC discount at the Hilton Garden Inn, contact us for details as we have negotiated a special deal for SDC members. I have a block of rooms reserved at the Hilton Garden Inn, right at the Convention Center.

As I receive more detailed information, I will update at the Club meetings and in this newsletter.

February 2019

Dear Friends of the Animals:

On Sunday June 30, 2019, from 11:00 a.m. – 3:00 p.m., Skyline Drive Corvettes, Inc. will be hosting a Corvette show to benefit the Animal Rescue League of Berks County. Now in its 17th year, “*Vettes Cruisin’ for Pets*” is a fundraising event to help raise much needed funds for the housing and care of the animals at the shelter. The ARL takes in thousands of animals every year, and they really need our help!

The mission of the Animal Rescue League of Berks County is to improve all aspects of the humane treatment of animals through quality services, accommodations, and the education of pet owners and the community.

The show will be held at Alvernia University, located at 400 Saint Bernardine Street in Reading, Pennsylvania. The Animal Rescue League will be there with pets on display and to assist with adoption inquiries. The Corvette show is a participant judged event, with trophies being awarded in several different categories. All proceeds from this event go directly to the Animal Rescue League to help care for the animals.

With that in mind, we are currently looking for items to be donated for our raffle table, which generates a large portion of the funds. Anything you could donate as a raffle item, including gift certificates, would be greatly appreciated, and I will be more than happy to arrange for the item(s) to be picked up at your convenience, or you can mail them to me at 5101 Diehl Rd., Mohnton, PA 19540.

We are also in need of trophy sponsors to help defray the cost of the trophies. A trophy sponsorship form is enclosed for your convenience.

To learn more about the Animal Rescue League and the services they provide, please visit their website at www.berksarl.org. I hope you can find it in your heart to help such a worthwhile cause.

Thank you in advance for your generous support, and please feel free to contact me at 610-856-1497 or email me at lindalu2649@gmail.com if you have any questions.

Sincerely,

Linda L. Spangenberg
