FROM THE PRESIDENT

By Charlie Weaver

Spring is in the air. It is time to get your Corvettes ready to go !!! The Activity committee is getting the ice cream run schedule together. If any ideas for them see Janet Schmidt or any committee member. At the last board meeting we had another associate sponsor come to us for approval Borneman's restorations and customs the board did approve and they will be presented to members at the March meeting.

The March meeting will be back Alvernia on the 14th at 7:00pm. The cafeteria will be open for those interested. If you have your vaccine no mask required. If not vaccinated masks are required thank you. Don't forget to mark your calendar for July 16th for the IN-VETTE lets make this even bigger than last year.

FINALLY

Harry and Janet Blankenbiller took delivery on their beautiful Hypersonic Gray convertible. They waited well over a year but it was worth it.

MEMBER PROFILE, KEN SPEICHER

I have always been a "Chevy" guy with my first car purchase being a 1960 Chevy Impala convertible when I was a senior in high school at Wilson. I was drafted into the Army in 1967 and after completing MP (Military Police) school was sent to Seoul, Korea where I served for more than 14 months.

I was not only fortunate to get sent to Korea rather than Vietnam, but I also was lucky enough to have guard duty around the stage for the Bob Hope USO Christmas Show in January of 1969. Trust me when I say "it is an extreme moral boost when you witness a Bob Hope Show with Ann Margaret and the Goldiggers"!

After serving my Country, I began my 32 year career with Met-Ed, became a Certified Purchasing Manager, and reached the position of Manager of Purchasing. After First Energy purchased the GPU System in 2002 I took a severance package and later in the year an early retirement. I then spent the next approximately 10 years working in Purchasing for Kalas Mfg. Co. in Denver, PA.

My first Corvette was purchased in 2006 and it was a 1995 Polo Green Coupe. My next Corvette was a 2006 Monterey Red Coupe. I currently have a 2014 Lime Rock Green Premier Launch Edition Convertible (#491 of 550 built).

I joined SDC at the Berkshire Mall Father's Day Corvette Show in 2012 after viewing all the great Corvettes on display and meeting and chatting with Barry Goodhart. I've served two terms on the Board of Directors and have enjoyed the SDC comradery on trips, ice cream runs, car shows and other events. Although I haven't been there yet, I am a member of the National Corvette Museum.

If you are just a member of SDC on paper, please consider attending meetings and find a niche in getting more involved. There is something for everyone in this club.

BOARD MEETINGS

All Skyline Drive Corvette Club members are welcome to attend the monthly board meetings as spectators. Because of time limits on the use of the meeting facility, up to 2 groups or individuals with issues or concerns are able to be accommodated with a ten minute presentation time limit each, so that regular board business can be dealt with. If you have an issue, you must contact the Board Chairman to get added to the agenda.
