Corvette Engineers typically discuss current C8 production specs and may release future C8 options. No doubt the new C8 E-Ray will be on display.

Vets 'n Vettes presented by Mobil 1 will be held May 11 – 13. NCM event to honor our veterans.

Mark your calendar for the 29th NCM Anniversary Celebration August 31 – September 2.

BOARD MEETINGS

All SDC Club members are welcome to attend the monthly board meetings as spectators. Because of time limits on the use of the meeting facility, up to 2 groups or individuals with issues or concerns are able to be accommodated with a ten minute presentation time limit each, so that regular board business can be dealt with. If you have an issue, you must contact the Lisa Heck 610-413-1052, to get added to the agenda.

DISCOVERY TOUR 23, SEPT 5-11 2023

Discovery Tour '23 will be held September 5th thru the 11th. This is a mystery style trip. We estimate the cost of the trip to be \$1400 - \$1500, all fine details are not yet finalized so the cost is not yet complete. I would expect to have a finalized cost by April. For those that may be interested, there are a few spots left. The trip will leave the Reading area September 5th and return on the 11th.

for 2023 ONLY. The Board passed it unanimously and the general membership will vote on this proposal at the March membership meeting.

Charlie also said that the Corvettes at Carlisle will allow each club to pick one of their own members out of their 3 - day Fun Field attendees. Not sure exactly for what?

Barry said that the club will need 2 new display boards for our display at Bob Fisher for officers and Lifetime members. He will get an estimate for the costs and present at the next meeting for approval. Bob Fisher has given permission to mount 2 boards on the walls in the hall since the display cases are full. There being no further old or new business, Lisa asked for a motion to adjourn the meeting. A motion was made by Barry and seconded by Bruce and the meeting was adjourned at 7:00 p.m.

Respectfully submitted by Board Secretary Randy Kerschner.
