**FROM THE PRESIDENT**

*by Janet Schmidt*

I would like to congratulate Bruce Clelland our new lifetime member with 25 years status.

May is starting off to be busy with the Reading Muhlenberg car show May 4th, our 1st ice cream run is May 7th, the May 13th meeting is at Alvernia PLEASE NOTE THE CAFE-TERIA IS CLOSED, parades May 18th, 25th, & 27th, and an ice cream run May 21st.

Looking forward to our June meeting we need 1 or 2 people to cook hot dogs & hamburgers at Exeter Park. For those unfamiliar with our outside meetings the Club provides chips & pretzels, the meats & rolls, and drinks. Club members bring salads, side dishes or desserts. If we do not get any volunteers the Club will provide pizza instead of burgers & dogs and members will only be asked to bring salads (green/tossed) & desserts.

Another subject is the proposal of a new scholarship for "body shop" students at each of the three Vo-Tech Schools. The earliest implementation date would be for the 2020 school year.

Next on the agenda is that NCM Ambassadors are required to attend a two night convention in November of each year in Bowling Green KY. Ambassador's expenses can be significant for this event and the board will confer with the general membership prior to deciding on some type of reimbursement.

The Berkshire Mall Show on Father's Day weekend could use more display cars. Mitch Zeigler has the sign-up sheets.

Bob Messner is busy with his volunteers putting together our 40th Invette. Please save the date- July 20th and help Bob make it a special day.

Sign-ups for our 55th anniversary picnic August 17th have begun. Don't miss out. Lots to do and enjoy with the club. Please be sure to read the Board Minutes and the Calendar of upcoming events

Remember to patronize our sponsors. Save the Wave! Let's get involved!

# LANCE MILLER TO BE AT VETTES CRIUISN' FOR PETS

Lance Miller of Carlisle Events will be at the Vettes Cruisin' for Pets show on June 30. Some of you may have been on the tour of his garage many years ago and remember what a magnificent collection of cars he has. Who knows...maybe he'll bring one of them! So, come on out to the show and say "Hi" to Lance!

## AAA ARTICLE ON SDC

AAA of Berks county is going to publish the article (shown below) on SDC in their July/August issue of 'ON THE GO':

The creation of Reading's Skyline Drive Corvette Club (SDC) was based on friendship and a common passion for "America's sports car", and established a lasting tradition of helping others and giving back to the community. 2019 is exciting year for the club as it celebrates its 55th anniversary and bigger-than-ever 40th Annual In-Vette-Tational car show.

SDC was the idea of a couple of guys who met in the early "Sixties", when "cruising" Penn Street in Reading, PA was the "cool" thing to do. It was there that these young men, looking to show off their Corvettes, and talk about cars and girls, discovered they had a lot in common. As word of these gatherings spread, the group quickly grew and the decision was made to organize a club. The first recorded meeting of 26 Vette-enthusiasts, calling themselves the Skyline Drive Corvettes, was held on June 7, 1964 in the home of John Catalano, whose efforts led to the club's registration with General Motors and official Charter in Berks County on June 23, 1965.

By the spring of 1965, SDC "Flying Fibers" (referring to the cars' fiberglass body) hill climb racing team had formed and was competing in races in and around Berks County. SDC's Gene Miller set a record at Reading's 16th Annual Duryea Hill Climb that still stands today (2.3 miles in 146.639 seconds). Over the years, the club's demographics changed as the single young men married and started families. Some left the club to focus on family responsibilities, only to return years later with a different Corvette to renew old friendships and make new ones. SDC now boasts more than 300 members, men and women from Berks and beyond, spanning multiple generations. Corvettes in the club range in production year from 1954 to 2019. Members participate in a variety of social and fund-raising activities throughout the year.

Helping others and giving back to the community has continued to be important. In 1965, the newly formed SDC adopted the "Boys' Home of Reading", donating clothing and spending time with the boys. Recipients of the club's support since its establishment include the Viet Nam Memorial, Autism Awareness, American Cancer Society, PA Breast Cancer Coalitions, the 9/11 Memorial, D.A.R.E., Toys for Tots, Bethany Christian Services, Threshold Rehabilitation Services, Camp Cadet, the Fire Tower Restoration Project, and Vettes Cruisin' for Pets which now supports The Animal Rescue League of Berks County.

In 2009, SDC created a scholarship fund to provide financial assistance to local youth pursuing higher education in the automotive field. SDC is proud to be holding its 40th Annual In-Vette-Tational at the Oley Fairgrounds on July 20th, 2019. While all generations of Corvettes will be on display, the show is open to all makes and models of cars, and includes a variety of hot rods, and antiques. More than 200 cars are expected to register this year.

The In-Vette-Tational is much more than just a car show. Its primary purpose is to raise funds for the \$1000 scholarships awarded annually to each of 3 technology students selected by their respective school, but there also an emphasis on honoring Veterans and supporting the local community. The opening ceremony will include a presentation by Reading High's JROTC. An awards ceremony will be held mid-afternoon at which time scholarships for the students and more than 45 trophies for winning cars will be presented.

Throughout the day, car-enthusiasts, friends and families can have fun checking out awesome cars, perusing a diverse group of vendor stands, and enjoying music, games, a Chinese auction, a small flea market and good food. To register your car for the In-Vette-Tational, learn more about Vettes for Pets, or for more information about the Skyline Drive Corvette Club, visit <http://www.skylinedrivecorvettes.org>.

# 40TH ANNUAL IN-VETTE-TATIONAL NEWS

by Bob Messner

Skyline Drive Corvette Club's 40th Annual In-Vette-Tational – Saturday July 20

Your In-Vette Committee has been meeting monthly and making a lot of progress towards hosting our club's 40th In-Vette-Tational. In addition to our great In-Vette traditions and support from our sponsors we have invited multiple new vendors. Again this year the Reading High School ROTC will participate in our opening ceremony along with a bagpiper as we pay honor to our county and veterans. We confirmed Elvis is alive and will entertain us on stage along with spending time touring our show field. We welcome Jeff Krick Sr, Elvis Tribute Artist and Vocalist to our show.

The Slow Drag Race will return as we enjoy competitors employing creative ways to be the last car to cross the finish line. Practice your SLOW speed and sign up to be part of this fun event. Our SDCC scholarship winners will be attending to receive their scholarship awards with each selecting a winning show car of their choice. Again this year they will be presenting a unique award created by their own school students. SDCC is honored to pay tribute to one of our key past members and present the John Catalano Memorial Trophy to our Best of Show winner for the first time at our 40th In-Vette.

To recognize our 40th year, a men's and ladies navy blue polo shirt with an exciting new SDCC In-Vette Tational logo will be offered for sale to all members. We will sell the shirts at our cost which we expect to be approximately \$25. Samples of these shirts should be available at our May membership meeting.

More details and information regarding our shirts will be available in the future. We are also working to have a crystal paper weight that will include a 3D engraved image of a C7 Corvette along with our club and 40th In-Vette information. If successful this paperweight will be similar to each of the past paperweights that SDCC members collected for all of the past Corvette classes. Join me in showing our appreciation to our club sponsors and new In-Vette sponsors that include Contemporary Insurance, Inc located at 1829 New Holland Rd, Reading. Thank you to SDCC Members Darlene and Jeff Imbesi of Contemporary Insurance for your contributions. Please consider them for any of your insurance needs.

Member support is also needed with contributions for the Chinese Auction, Wheel Barrow of Cheer, and Lottery ticket donations. In addition we will have a sign-up sheet for parking volunteers at our next membership meeting. Anyone wishing to personally sponsor one of our many award trophies can do so as well, contact myself or Ken Speicher for information. Remember our Flea Market to sell any auto related items you may have.

To pre-register for our club's 40th In-Vette-Tational complete the attached flyer that includes your registration form. Pre-registration is only \$15, and saves you \$5 over the day of show registration.

## ON THE LIGHTER SIDE

I couldn't figure out why the baseball kept getting larger. Then it hit me. A man was walking down the street and saw a sign in a store window that said "Help Wanted," so the man ran in the store and yelled out, "What's wrong?!"

## WEBPAGE AND FACEBOOK

Please remember to check the club web site, [skylinedrivecorvettes.org](http://skylinedrivecorvettes.org), for useful information about the club and its activities. You will find things like, the club history, news letters, a member photo gallery, and a calendar format for upcoming club events.

Our Facebook page is named Skyline Drive Corvette Club. It is an interesting facebook group where you can see and post activities of interest to fellow SDC club members. Our club sponsors also often post things of interest to our members.

February 2019

Dear Friends of the Animals:

On Sunday June 30, 2019, from 11:00 a.m. – 3:00 p.m., Skyline Drive Corvettes, Inc. will be hosting a Corvette show to benefit the Animal Rescue League of Berks County. Now in its 17<sup>th</sup> year, ***“Vettes Cruisin’ for Pets”*** is a fundraising event to help raise much needed funds for the housing and care of the animals at the shelter. The ARL takes in thousands of animals every year, and they really need our help!

***The mission of the Animal Rescue League of Berks County is to improve all aspects of the humane treatment of animals through quality services, accommodations, and the education of pet owners and the community.***

The show will be held at Alvernia University, located at 400 Saint Bernardine Street in Reading, Pennsylvania. The Animal Rescue League will be there with pets on display and to assist with adoption inquiries. The Corvette show is a participant judged event, with trophies being awarded in several different categories. All proceeds from this event go directly to the Animal Rescue League to help care for the animals.

With that in mind, we are currently looking for items to be donated for our raffle table, which generates a large portion of the funds. Anything you could donate as a raffle item, including gift certificates, would be greatly appreciated, and I will be more than happy to arrange for the item(s) to be picked up at your convenience, or you can mail them to me at 5101 Diehl Rd., Mohnton, PA 19540.

We are also in need of trophy sponsors to help defray the cost of the trophies. A trophy sponsorship form is enclosed for your convenience.

To learn more about the Animal Rescue League and the services they provide, please visit their website at [www.berksarl.org](http://www.berksarl.org). I hope you can find it in your heart to help such a worthwhile cause.

Thank you in advance for your generous support, and please feel free to contact me at 610-856-1497 or email me at [lindalu2649@gmail.com](mailto:lindalu2649@gmail.com) if you have any questions.

Sincerely,

*Linda L. Spangenberg*
