REDNER'S SAVE-A-TAPE PROGRAM

Benefits SDC. The SDC Save-A-Tape rewards program sponsored by Redner's grows every time a member brings their Redner's receipts from their shopping location. We just added another \$193.63 to the SDC treasury from the program and that brings the total to \$4,621.10 since SDC started the program on 6/22/06.

That's a long time ago, but each month SDC members bring in their Redner's receipts. When we have a total of \$5,000.00 or more Diane Suchon adds up of the receipts and submits to Redner's. They send us a check for 1% of the total. Please keep on bringing in those Redner's receipts, every little bit adds to the total. Any new member that shops at Redner's can pick up a Redner's Reward Card at any SDC general membership meeting.

SDC GOES TO LANCASTER HOT AIR BALLOON FESTIVAL ON SEPT. 7

Twenty-three SDC members and guests attended the U.S. Hot Air Balloon Festival in Bird-in-Hand on Saturday, Sept. 7th. Although it was a beautiful day, it was a little too windy for the balloons to launch. We sat among the many attendees enjoying the camaraderie and after the launch was officially cancelled sixteen of us traveled to the Lancaster Brasserie for a wonderful meal on the deck.

Note: Everyone, please ask Bruce Kleckner how long he waited in line for the kettle corn.

Bob Fisher Skyline Drive Discount Clarification

Our Service and Parts Department has asked me to clarify some information on the Skyline Drive Bob Fisher discount. We have many appreciative and loyal customers that use us for their parts and service needs, but we have mixed answers on the discounts that the club gets.

To clarify the situation, the Bob Fisher Discount for the Skyline Drive Corvette Club moving forward is 10% off regular priced parts and service items. Menu items, coupons, and in-house specials can not be combined with the discount. We recently had a couple situations where discounts were applied to specials and other items we already had a price reduction on. We are not concerned about any traction we had in the past with these double discounts, but moving forward we want to make sure everyone understands the discount.

Thank you everyone that uses us for their service and parts needs.

Things To Love About Fall Golf At The Hall

Hopefully the weather takes it time to switch over to fall but isn't it a nice change of pace from those brutally hot summer days on the course? Isn't it also nice to not have your clothes sticking to you because of sweat while you try to take a swing? Everything about the fall is just a little more comfortable than the rest of the year.

And talk about the view. Trees with leaves covering all the hues of greens, yellows, reds and oranges offers breathtaking scenes on South Mountain. It's like playing golf in a painting! Call the pro shop and book your tee time. 610-678-9535
