PROPOSED BYLAW CHANGES

The SDC board is proposing changes to the bylaws. The proposed bylaws are included in this newsletter with changes in red. You will vote on these changes at the November election.

SEPTEMBER 14 MEMBERSHIP MEETING AT VICTOR EMMANUEL II (VEII)

Contact Ken Speicher if you plan to attend

We will again have our Monday, September 14 membership meeting at the Victor Emmanuel outdoor pavilion (311 Hazel St., Reading). The VEII pavilion is very large and has many amenities...concrete floor, large picnic tables, electric, speakers, and permanent restroom facilities nearby. Note: VEII has two pavilions and we will be using the one on the right side of their main building, in the rear.

The VEII catered menu will include: salad, pizza, baked ziti, meatballs, sausage, bread & butter, and unlimited soda fountain which includes cold filtered water. This is a buffet and VEII will serve our members. No alcoholic beverages will be provided, nor allowed. Members are invited to bring desserts and may want to consider bringing store bought prepackaged desserts.

To access the private parking lot for our pavilion, turn right at the front entrance to the main building (Hazel St.) and just beyond the row houses on the left (at Belvedere St.) turn left into the dirt driveway to the back of the row houses where you will access an open gate into the grass parking lot. This parking lot is solely for the pavilion use. Should we have rain (wet grass) you might want to park on the paved lot closest to the UGI facility. Note: If VEII remains closed to "indoor dining" we can park on any of the paved parking lots.

To assist VEII in providing sufficient food, we need to ask all members who plan to attend to provide us with a headcount. **Please email kspeicher@comcast.net or call 610-777-5414 with the number of attendees no later than Wednesday, September 9.** We will have food at 6:00 PM and the meeting at 7:00 PM. Please bring your masks and adhere to the then current social distancing guidelines.

VETTES CRUISIN' FOR PETS 2020

By Linda Spangenberg

As you know, the Vettes Cruisin' for Pets Corvette Show was cancelled this year due to COVID-19. It was scheduled to be held at Alvernia University on June 28, 2020. This was definitely a heartbreaker because the money raised at this show goes to a very worthwhile cause – The Animal Rescue League of Berks County. They, along with many other organizations are now struggling during these unprecedented times.

However, due to the generosity of many of our members, sponsors and several businesses, we were still able to make a modest donation to the ARL. I contacted everyone who had sent in their registration for the show prior to the pandemic, and no one wanted their money back. They graciously decided to make that a donation to the ARL. There were also many members who made a straight out donation. In addition, all the sponsors and businesses who had sent in money as trophy sponsors were contacted, and they also wanted that money to go towards a donation to the ARL.

On August 5, I presented a check in the amount of \$1,610.00 to Ashley Mikulsky, VP of Development at the Animal Rescue League. They were thrilled to get this considering the show had been cancelled, and extremely thankful for our continued support.

THANK YOU SO MUCH!!

FROM THE PRESIDENT

by Randy Chapman

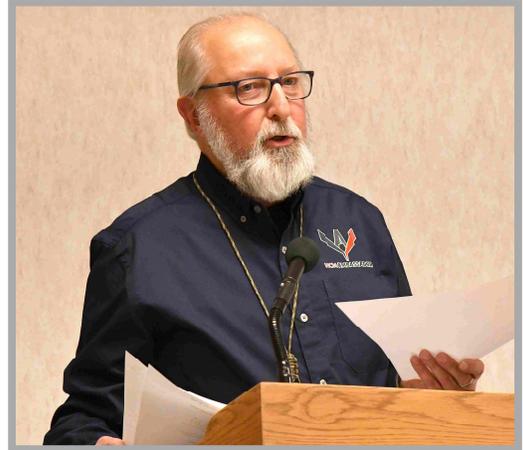

Greetings SDC members. We had a decent turnout for our August meeting at Victor Emmanuel II in Reading . All of us enjoyed the served meal and member's desserts. We are going back for a second helping September 14. I hope to see more of you there. Masks and social distancing are required.

As I type this message my thoughts are the upcoming Corvettes at Carlisle. I am looking forward to seeing everything GM and Carlisle Events have to offer.

Now that we have one political party convention down and another one on tap, we all need to plan on making sure our vote counts. If you are voting by mail, make sure you send in your ballot early.

I hope everyone has been driving their Corvette regularly and is enjoying the summer weather.

Stay safe and stay well

A guy goes to heaven but Saint Peter stops him at the gate and tells the guy that before he can enter, he has to give an example of defending or helping someone in danger. He replied that he was driving down a road when he saw a **Corvette** on the shoulder and a man yelling at his wife and threatening to punch her. The guy tries to help but the husband pays no attention. Finally the guy kicks the Corvette, putting a huge crack in the fender.

"Wow", said Peter. "Did the husband stop threatening his wife? " "Oh yeah", said the guy. Peter then asked when this occurred; to which the guy replied, "Oh, about 3 minutes ago."

OCEAN CITY MD CORVETTE WEEKEND, OCT 16-17

Just because the Free State Corvette Club canceled their events on Friday October 16th and Saturday October 17th doesn't mean the fun stops. The great rates at Howard Johnson for the weekend and just getting away with the year we are having should be enough to want you to go and enjoy the SDC camaraderie. But if you booked a room and have changed your mind about going please give Meghan Odegaard a call at 800-926-1122 and let her know that you are no longer going. The rest of us that booked a room previously are good to go.

ANNUAL HOLIDAY PARTY, DEC

The Inn at Reading has canceled all events for the remainder of 2020. We tried finding another venue for a less formal year end get together and were successful, but before we could present it to the Board of Directors, Governor Wolf imposed more limitations on public gatherings. With these new limitations the second venue feels that they too may curtail events for the remainder of this year. With that being said, there will be no holiday party in 2020.

EVENT SIGN UP

Sign-up sheets for our events will be on the front table at our general club meetings at Alvernia. If you are new or have just never tried an event with the club, come out and see how much fun we have as a club
