MEMBER PROFILE JOY and JOE GOLT NEWSLETTER EDITORS FOR 20 YEARS

We joined SDC in 1999. At that time John and Nancy Messersmith were the newsletter editors. In 2000 they announced that they wished to step down. So, we decided to give it a try. The September 2001 issue was our first newsletter. That was twenty years ago!

At that time the newsletter was 100% hard copy. We had to print it and hand carry to Minuteman Printing. Once the printing was finished another couple (Ray and Ann Fisher) collected the newsletter, attached address labels, and then folded and stapled it together. At last, it was taken to the post office. This was cumbersome and expensive. The newsletter budget was close to \$6000.

It was a long process, but we eventually were able to produce the newsletter in PDF format, suitable for emailing. Today we mail to only 21 hard copy hold outs. 210 members get the emailed version. Newsletter budget today is around \$400.

Our history:

I was born and raised on the streets of Baltimore. Joy came from Belair MD. Like most young boys, I idolized my dad. And my Dad was a Chevrolet man to the core. His DNA helix was connected by Chevrolet bow ties. Naturally, I liked the Chevy also. The Corvette was my dream car. In the 50's you only saw a Corvette maybe twice a year. In 1971 I bought my first Corvette, a 1970 Bridgehampton blue Convertible. I met Joy in a night club in 1972. We began dating. It was a 45 minute drive to Belair just pick her up. We were married in 1975 and moved to Reading in 1983 due to my job.

I passed Stoudt's every day on my way to work. One day in 1999 I noticed a Quasar Blue 1993 on Stoudt's lot, stopped over one day, took it for a drive and bought it. This decision and subsequent decision to join SDC and do the newsletter changed our lives. Non Corvette owners have no idea what it is like to be a member of the Corvette family. And SDC is one of the best clubs as we have many active members and many activities. Some of our highlights are: Trip to Newfoundland which included many ferry rides. Trip to Washington state, yes we drove our 2001 across the country. West coast trip, when we fedexed the 6 Vettes to Reno and flew there to start the drive. The 2004 Lab of Pa. The C7 reveal in Detroit. Milford proving grounds(not open to the public).The many Corvette Museum sponsored Lap of Kentucky's. Countless shows including Invette-ta-tionals. Many Holiday parties . The list goes on and on.

I guess, as long as we stay healthy we will continue to publish the newsletter as a way to give back to the club for all the wonderful times we had.

IT'S TIME TO PARTY SDC

The Inn at Reading Is not hosting any banquet events again for this year. We felt it was time for the club to get together for the holiday season. So, we have a venue and a date for our 2021 Holiday Gala.

Mark your calendars:
Sunday December 5, 2021
Goodwill Beneficial Association
100 Madison Street, Hyde Park

Doors will open at 5:00 P.M. with Hors D'oeuvres and a cash bar. A buffet style dinner will be served at 5:30 P.M. With music entertainment by Jam on Sound Productions all evening, along with our traditional Corvette elimination dance and Basket of Cheer raffle.

Please bring your small baskets for the raffle to any meeting and see Lisa Heck or Teri Fisher and bring your items for the baskets the night of the party. Lisa and the elves will be assembling the baskets.

SDC ONLINE STORE

Skyline Drive Corvettes' Online Store – Summer / Fall 2021

SDC's online store will be open Friday Sept. 3rd through midnight Sunday Sept. 19th.

Please remember that Rockhound Apparel will take 2 weeks "following the closing of the online store" to complete the orders. Rockhound will notify you by email when your order is ready for pick-up or delivery by mail to your home, depending upon the option you selected.

If you need to contact Rockhound directly, Kendra can be reached by phone (484-930-5957), text (484-955-9969) or email (kendra@rockhoundapparel.com), or visit the shop Monday through Friday at 140 W. Penn Ave., Robesonia, PA 19551.

2 ways to get into the online store:

1. Go to Rockhound Apparel's website - rockhoundapparel.squarespace.com
 - Click on "MARKET" at the top of the page
 - Scroll down and click on the SDC logo
2. Go directly to the SDC online store by entering - rockhoundapparel.squarespace.com/skylinedrive

Once you are in the online store, scroll down to select an item that you might like. Most are available in sizes up to 4X for both men and women, and offer 3 different color choices. Each "style" is shown with the traditional logo (revised pagoda design) and a new "modern" logo. Size and color options are shown when you click on the item.

Items with the traditional logo are several dollars more than those with the modern logo due to the embroidery for the traditional being more intricate and taking more time to complete.

Steps to place an order:

1. Click on the item of your choice. You will see a description of that item.
2. Scroll down to select the color from the drop box. (click on icons at the very bottom to see the item in available colors.)
3. Select your size from the drop box.
4. Make sure the "quantity" is correct, then click on "ADD TO CART".
5. When shopping is completed, click on the cart in the upper right corner, then click on "CHECKOUT".
6. Enter your email address, click on "CONTINUE". (you don't have to subscribe to their mailing list)
7. Enter shipping information.
8. Select "Shipping Option" - In-store pickup or Flat-rate shipping (if there is any other option shown, ignore it)
9. Fill in payment information
10. Review and complete Purchase

CARLILSE REFLECTIONS

by Joe Golt

This is just mostly filler, but also my personal reflections on Carlilse. We went to see as many C8 color combo as possible.

Finally saw Morello interior, it was in a white convertible. It looked awesome!! Also saw 100% yellow (my color), surprisingly, it also looked great. I still don't care for the black boomerang. I still don't care for any spoiler. After 2 hours in the heat, we were done.
