

JULY 2026 NEWSLETTER

WWW.CSORCHIDS.ORG

The Colorado Springs Orchid Society will have its July 2026 meeting on Saturday the 25th at Fire Station #14, 1875 Dublin Blvd. The fire station is at the intersection of Academy and Dublin behind Yorkshire Veterinary Clinic. From Academy Blvd, turn east onto Dublin, then take the first right. The meeting starts at 10:00am with social time and set-up between 9:30am and 10:00am.

We encourage members to bring in orchids (divisions, duplicates, or ones that you are just not having luck with) to sell or donate to the opportunity drawing.

Refreshments

If you are scheduled to bring refreshments to the July meeting (those whose last names begin with the letters D–G), please bring a dessert to share at the picnic instead.

JULY 2026 President's Message

After a stroll to the mailbox, I have exciting news to share! Our Spring 2026 DOS Show and Sale exhibit has officially been published in *Orchid Digest*. You can see the photo of our *Orchid Digest* Show Trophy-winning display in the latest issue at our meeting on Saturday! Thank you again to everyone who helped build the exhibit, entered orchids, or jumped in as orchid Uber for those who could not make it. It was truly a team effort!

At the rate summer is flying by, the fall show will be here before we know it! Be sure to let your orchids know that the Fall 2026 DOS Show and Sale has been moved to a new date: September 19–20, with setup on Friday, September 18. The show will be at the usual fall location, Nick's Garden Center in Aurora (2001 S. Chambers Road). Nick's is a wonderful venue with plenty of parking close to the door, easy access to the show space, plants for sale, and even an onsite kitchen. It is always a great time!

The wait is over—it's fiesta time! Our annual picnic will kick off immediately following Saturday's meeting at approximately 11:30 a.m. We will gather beneath the shade trees on the fire station grounds for a festive taco lunch from Mexico Real, courtesy of the Society. The plan is to bring chairs/tables out from the community room, but it wouldn't hurt to bring a lawn chair of your own if you have one handy.

Of course, no July meeting would be complete without reveling in what everyone has in bloom! So, bring your flowering orchids and enjoy a relaxed summer gathering with beautiful plants, good food, and plenty of time to catch up with orchid friends.

We can't wait to see you at the fire station!

Cheers,

Alison Dino
