

JANUARY 2018 NEWSLETTER

The Colorado Springs Orchid Society will have its January 2018 meeting on Saturday the 27th at Fire Station #14, 1875 Dublin Blvd. The fire station is at the intersection of Academy and Dublin behind Yorkshire Veterinary Clinic. From Academy Blvd, turn east onto Dublin, then take the first right. The meeting starts at 10:00 AM with social time and set-up between 9:30 AM and 10:00 AM. See our website for directions and a map.

The club provides plants each month for the raffle and members are encouraged to donate divisions of their plants for the raffle table. Raffle tickets are \$1 each. Bring your blooming orchids for Show & Tell and receive a free raffle ticket.

For your information:

Members can purchase raffle plants outright before the raffle begins for the price listed on the plant – If you have a question about a raffle plant or the price, speak with Robin. We encourage members to bring their divisions to sell or for the raffle table.

This month refreshments will be provided by those whose last name begin with the letters S to Z.

President's Message

Tis the season to make resolutions, even though I seldom keep them. I resolve to get myself into better shape even though my wife assures me that round is a shape.

I do need to resolve to take better care of some of my orchids. Some that I have don't always respond well to the conditions they are provided with. Some problems might arise from climate conditions. Maybe the need is for different potting materials. I recently lost a good orchid that I feel comfortable was repotted properly but simply languished until it was dead! Sometimes things just happen.

I am the proud owner of one of those nice Porta-Grow units that is a plastic closet that then creates a micro-climate that can be controlled for temperature and humidity. That would be great for some of my orchids. The down rise is that by setting this up in my shop that maintains generally cooler temperatures, I would be creating more space that necessitates being filled with more orchids!

Another resolution is to learn more about orchids and their needs and any problems that can crop up. The problem with being President is the expectation that I know the answers to the many questions that can arise. Notice, I don't. But I'm working on it.

See you all at the next Colorado Springs Orchid Society meeting.

Good Luck and Good Growing,
Roger Stone
President
Colorado Springs Orchid Society

A great time was had by all at the December meeting.

I wonder what's in the Presidential, Christmas package?

A quick "come to order" with the jingle-bell gavel.

What would Christmas be without new suspenders?

And this year's suspenders even match my jingle-bell gavel. Whoo-hoo!
