

JANUARY 2020 NEWSLETTER

The Colorado Springs Orchid Society will have its January 2020 meeting on Saturday the 25th at Fire Station #14, 1875 Dublin Blvd. The fire station is at the intersection of Academy and Dublin behind Yorkshire Veterinary Clinic. From Academy Blvd, turn east onto Dublin, then take the first right. The meeting starts at 10:00 AM with social time and set-up between 9:30 AM and 10:00 AM. See our website for directions and a map.

The club provides plants each month for the raffle and members are encouraged to donate divisions of their plants for the raffle table. Raffle tickets are \$1 each. Bring your blooming orchids for Show & Tell and receive a free raffle ticket.

Members can purchase raffle plants outright before the raffle begins for the price listed on the plant – If you have a question about a raffle plant or the price, speak with Robin. We encourage members to bring their divisions to sell or for the raffle table.

This month refreshments will be provided by those whose last name begin with the letters S to Z.

President's Message

Due to the threatening weather last month, we had a small turnout in attendance at our meeting. Those of us that only had a short distance to travel enjoyed the meeting and a few show and tell plants.

Because so many members couldn't be there, it was decided to only offer up a few of the smaller raffle plants. The larger ones and undoubtedly a few small ones will be up for raffle at the January meeting. Terry informed me that she will also be bringing a few more orchid offerings from Stan Brown to the January meeting. Bring money! Aaron plans to get a device for his cell phone to enable the treasurer to collect funds by credit card - at no additional cost to us.

Whereas, since members were absent from the meeting in December through no fault of their own, it was decreed by Executive Order that it will be permitted for members to pay 2020 dues at the January meeting with no late penalty fee.

I plan to see you all at the January meeting as I foresee no inclement weather. Hope you are having a great start to your new year.

Good Luck and Good Growing,

Roger Stone
