

## AUGUST 2021 NEWSLETTER

The Colorado Springs Orchid Society will have its August 2021 meeting on Saturday the 28th at Fire Station #14, 1875 Dublin Blvd. The fire station is at the intersection of Academy and Dublin behind Yorkshire Veterinary Clinic. From Academy Blvd, turn east onto Dublin, then take the first right. The meeting starts at 10:00 AM with social time and set-up between 9:30 AM and 10:00 AM. See our website for directions and a map.

The club provides plants each month for the raffle. Raffle tickets are \$1 each. Bring your blooming orchids for Show & Tell and receive a free raffle ticket.

Members can purchase raffle plants outright before the raffle begins for the price listed on the plant – If you have a question about a raffle plant or the price, speak with Robin. We encourage members to bring their divisions to sell or for the raffle table.

## President's Message

Boy! It's been a very hectic last month, or months. But my involvement in my Dad's estate auction is now over and I can try to get back to some sort of normal routine again. Well, normal for me.

I have managed to keep my orchids watered and fertilized but not much else. Many plants are in some need of repotting or dividing so I know where I need to go now. I see several of my small type cattleyas are coming into bloom, but the flowers are barely out of the sheath or leaf. Could it be an imbalance in their light requirements or maybe they need repotting to stimulate their growth?

I hear that Terry will again be bringing maybe 8 or so of those nice, large Cattleya plants from Stan so come prepared to take part in finding them a new home, preferably your home.

Please remember that the rule for our presence in the firehouse is that **masks are required**. Whether you are vaccinated or not is your business, but it is still possible for you to get and carry the virus and infect others. Please respect those others!

Stay Well,
