

OCTOBER 2021 NEWSLETTER

The Colorado Springs Orchid Society will have its October 2021 meeting on Saturday the 23rd at PPLD Library 21C, 1175 Chapel Hills Drive. Please see the President's Message for directions or you can use your own navigation system. The meeting starts at 1:00 PM with social time and lunch (if you want to bring your own) between 12:30 PM and 1:00 PM.

The club provides plants each month for the raffle. Raffle tickets are \$1 each. Bring your blooming orchids for Show & Tell and receive a free raffle ticket.

Members can purchase raffle plants outright before the raffle begins for the price listed on the plant – If you have a question about a raffle plant or the price, speak with Robin. We encourage members to bring their divisions to sell or for the raffle table.

President's Message

I hope all of you are healthy and ready for an Orchid society meeting this month. Arrangements have been made at PPLD Library 21c, 1175 Chapel Hills Drive, between 12:30 and 3:00 for the [October 23](#) meeting. Meeting hours have been changed due to the fact that morning times were previously taken. The library location is the intersection of Jamboree and Chapel Hills. This area is just off the north intersection of I25 and Academy. After turning onto Academy proceed to the second stoplight and turn Left onto Jamboree. Proceed 5 or 6 blocks to Chapel Hills and turn left, the turn-in for the library is nearly past the library. This parking lot will give you access to the upper level of the Library where the meeting room is located.

The meeting room is called the Create Space room. Depending on current Covid restrictions, this room accommodates 20 to 54 persons. The room will satisfy our needs but we will need to behave as two sides of the room are glass. I see this as a good thing as passers-by may be curious enough to step in to observe and maybe become members in the future.

The Library policy as I last checked was masks were optional. Requested that persons not vaccinated wear masks but that is on the honor system. Snacks and sack lunches will be allowed which is good as we are meeting near the lunch hour. The floor of this room is linoleum which makes clean-up of food or orchid pot spills easy to clean up.

I'm hoping these accommodations will encourage most of our members to try to attend this meeting. See you there!
