

FEBRUARY 2022 NEWSLETTER

The Colorado Springs Orchid Society will have its February 2022 meeting on Saturday the 26th at PPLD Library 21C in the Create Space room, 1175 Chapel Hills Drive. Social time is 10:00 a.m. to 10:30 a.m. and the meeting starts at 10:30 a.m.

Video Media: Part of Fred Clarke's AOS Webinar entitled Novelty Cattleyas will be shown at our February meeting. The portion shown will address How to grow them: Watering, Fertilization, Light levels, Temperatures, Potting media, Virus, and Repotting.

We encourage members to bring in orchids (divisions, duplicates or ones that you are just not having luck with) to sell or for the raffle table. Raffle tickets are \$1 each. Bring your blooming orchids for Show & Tell and receive a free raffle ticket.

President's Message

Spring is coming soon but the weather lately indicates that winter is still with us. Let's just hope that soon, after the weather warms up enough for the soil to thaw, we get some significant moisture to help beat back this drought.

We are going to get to view an AOS webinar at this next meeting. This is a step toward video media that can give us access to first rate presenters at a price we can afford. As this is a recording, we will not be able to question the presenter, but we can discuss subjects among ourselves. From this video and others that we may choose in the future, we should be able to grow our orchids better or to grow orchids that we thought we couldn't before.

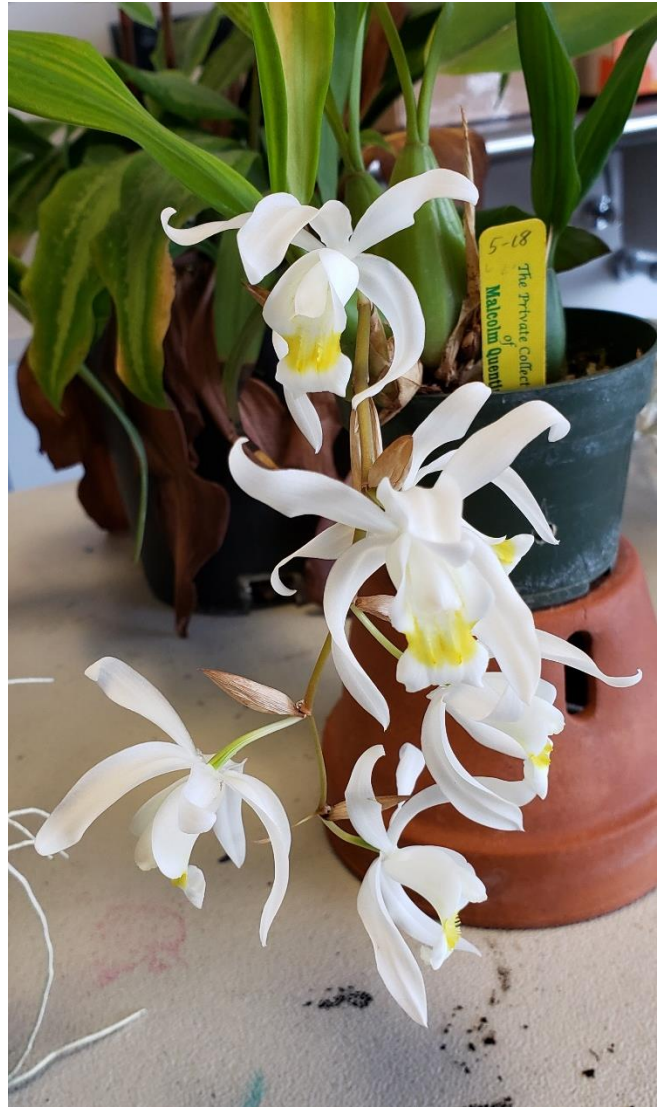

Many of our members very much look forward to raffle plants. After discussions, it looks as though this expenditure is just that so it would be better for us to bring in divisions or duplicates or just an orchid that we aren't having good luck with.

Stay well,
Roger Stone
