

FEBRUARY 2023 NEWSLETTER

The Colorado Springs Orchid Society will have its February 2023 meeting on Saturday the 25th at Fire Station #14, 1875 Dublin Blvd. The fire station is at the intersection of Academy and Dublin behind Yorkshire Veterinary Clinic. From Academy Blvd, turn east onto Dublin, then take the first right. The meeting starts at 10:00am with social time and set-up between 9:30am and 10:00am.

We encourage members to bring in orchids (divisions, duplicates, or ones that you are just not having luck with) to sell or for the raffle table. Raffle tickets are \$1 each. Bring your blooming orchids for Show & Tell and receive a free raffle ticket.

Denver Orchid Society (DOS) 2023 Spring Show and Sale – DOS will have their 2023 Show and Sale on March 11 and 12, 2023 at the Denver Botanic Gardens – Mitchell Hall. The theme is March Madness. There is a poster at the end of this newsletter for this event. Please feel free to post it to social media and share it with family and friends. Set-up for the event will be on March 10th from 9am to 4pm. If you are interested in helping (setting up and/or providing blooming orchids) for a society exhibit, please contact Alison. The level of interest you express, will determine if we, as a society, will have an exhibit. The show will be AOS judged. The DOS Board increased their plant sale budget so you can expect more plants from a wider variety of vendors, including Lehua Orchids, Gold County, Andy's, etc.! As soon as the entire list of vendors is available, I will send it to you.

Tradition? – It looks like Alison is ready for the role of President! 😊

President's Message

Wow, the blooming orchid turnout for the January meeting was incredible! We used every available table in the room and still had to get creative to fit. Many thanks to Joan for systematically documenting them all for the newsletter; you definitely had your work cut out for you! The display was a testament to this group's dedication, ingenuity, and talent. A similar turnout in March would easily pack out our part of the Denver Orchid Society Spring Show and Sale. I hope you were able to save the date and can make it March 10th (setup day) through the 12th!

Speaking of the January meeting, I would like to thank you all for your patience with the acoustics in the library meeting space. It's a welcoming venue and handy in a scheduling conflict, but it definitely has its challenges. The good news is we are back at Fire Station 14 (1875 Dublin Blvd.) for the rest of the year!

At the February meeting, we will make a fresh go at integrating webinars into our gatherings. Thank you to everyone who weighed in on where we should direct our attention for these and other learning opportunities. The survey revealed pest control and repotting topped the desired topic list, followed closely by divisions, mounting, and Cattleya care. We will start there but don't worry if these specific topics didn't top your list; we will be making our rounds!

See you at the fire station on the 25th,

Alison Dino
