

MARCH 2023 NEWSLETTER

The Colorado Springs Orchid Society will have its March 2023 meeting on Saturday the 25th at Fire Station #14, 1875 Dublin Blvd. The fire station is at the intersection of Academy and Dublin behind Yorkshire Veterinary Clinic. From Academy Blvd, turn east onto Dublin, then take the first right. The meeting starts at 10:00am with social time and set-up between 9:30am and 10:00am.

We encourage members to bring in orchids (divisions, duplicates, or ones that you are just not having luck with) to sell or for the raffle table. Raffle tickets are \$1 each. Bring your blooming orchids for Show & Tell and receive a free raffle ticket.

CSOS 2023 Calendar

April 22 – TBD

May 27 – TBD

June 24 – TBD

July 22 – TBD

August 26 – TBD

September 23 (Auction) – TBD

October 28 – TBD

November 25 (Elections) – TBD

December 16 – TBD

Paph. Fluttering Fred

President's Message

Take a bow! The Denver Orchid Society Show and Sale is in the books and was a big success. Organizer Keith Funk asked me to pass along "a huge Thank You from all of us in Denver to everyone who participated." CSOS had an exhibit spanning two tables with a bounty of diverse blooms, and our efforts took home multiple ribbons and three rosettes.

Our sincere thanks to the Denver Orchid Society and their hardworking crew for a wonderful weekend at the Gardens. It was exciting to have several first-time participants from CSOS, myself included, and we would love to have even more Society members represented in our next exhibit. If you would like to exhibit your orchids but cannot make a show, not to worry, we will gladly find your plants an Uber!

In our February meeting, we put our heads together and the pixels aligned to show our first AOS webinar at the fire station! We watched roughly the first half of Ron McHatton's "Orchid Pests & Management" webinar. We will finish the rest of this informative webinar in our March meeting. Mealybugs, scale, and other pests love our orchids as much as we do. Join us on March 25th to learn more about how we can leverage the right solution at the right time to even the score. See you at the fire station!

Cheers,

Alison Dino
