

JULY 2023 NEWSLETTER

The Colorado Springs Orchid Society will have its July 2023 meeting on Saturday the 22nd at Fire Station #14, 1875 Dublin Blvd. The fire station is at the intersection of Academy and Dublin behind Yorkshire Veterinary Clinic. From Academy Blvd, turn east onto Dublin, then take the first right. The meeting starts at 10:00am with social time and set-up between 9:30am and 10:00am.

We encourage members to bring in orchids (divisions, duplicates, or ones that you are just not having luck with) to sell or for the raffle table. Raffle tickets are \$1 each. Bring your blooming orchids for Show & Tell and receive a free raffle ticket.

Refreshments

This month refreshments will be provided by those whose last name begin with the letters G to L.

President's Message

A big thank you to Karou, Connie, and Joan for pulling everything together to make the June meeting a success while I attended to an emergency. I am happy to report that Ethyl is back to her old self, though sporting a terrible haircut for the summer and post-op pajamas for the last two weeks. Her surgeon reports that "she ate a lot of string, the most I have ever seen in a cat." So, time was definitely of the essence, and I appreciate everyone's understanding and well wishes. I have to admit that after this adventure, it is harder to complain about her eating my orchids!

I wish this letter could be all good news, but sadly we lost a wonderful member last month. Cheryl Graysar, who joined the CSOS a year ago and wowed all of us with her massive blooming Cattleyas, passed away suddenly on June 28th. At the July meeting, we will have a card to send our condolences and support to her husband, Greg.

In a tremendous act of generosity, Cheryl gifted nearly all of her orchids to our membership. As Joan's email earlier this month detailed, we will hold a special raffle of Cheryl's orchids at meetings for the next few months. One ticket for "Cheryl's Raffle" will be given to each CSOS member in attendance. The orchids to be distributed at a particular meeting will be listed in that month's newsletter, and the raffle will determine the order of choice from the orchids presented. This will continue until all of Cheryl's orchid legacy has been homed. Many thanks to Roger and Joan for coordinating the collection, transportation, and care of this large number of plants.

In the June meeting, we began screening "Cattleya Species Culture" by Bill Rogerson. This webinar is quite fitting, with Cheryl's collection consisting mainly of Cattleya's. After show and tell of July's blooms and the raffles, we will continue this webinar when we gather on Saturday, time permitting.

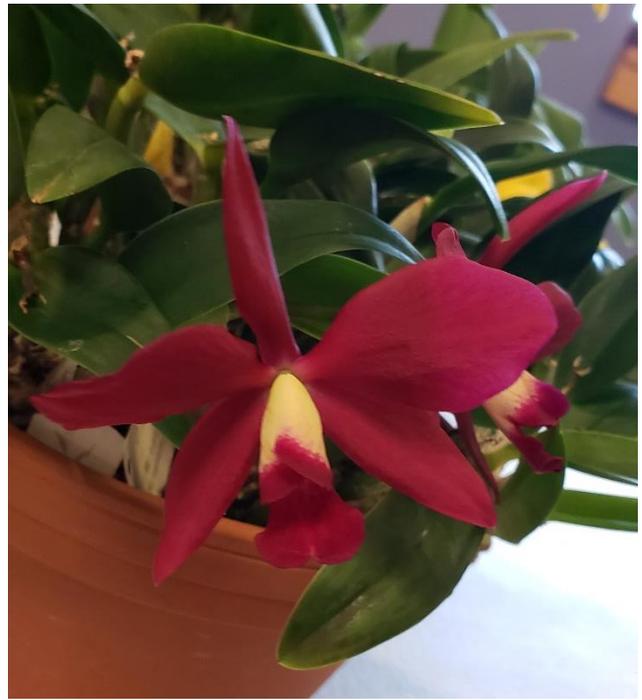

Keep those Miltonias and Masdevallias cool, and see you at the fire station on the 22nd!

Cheers,
Alison Dino
