## President's Message

Greetings from Missouri! As I write this message from the Show Me State, I cannot believe it is November and Thanksgiving is right around the corner. Speaking of giving thanks, I would like to sincerely thank all of the CSOS 2023 officers. You are an asset to this group, and your faithful service and willingness to continue to serve are greatly appreciated. For those who have been thinking of serving as an officer, please let me know where you are interested in volunteering. Nomination and voting on all positions will take place at our November meeting.

November is definitely a busy month for the CSOS. In addition to elections, it is also time for membership renewals. For those who will not be in the November or December meeting, dues (\$15 individual, \$22.50 family) can be mailed to Lorie at the address provided in this newsletter. Dues for 2024 membership are due by the end of December.

This year, November is also a month of mystery as the mystery plants have landed! A big thank you to Matt for caring for them since their arrival, Julie and Adam of Songbird Orchids for looking after them this week, and Karou for giving them a ride to the meeting. This project has truly been a group effort! If you signed up for a mystery plant, they will be available for pick up starting with the November meeting. Plants are \$15, and we bought all of this cross that Fred Allen had, so this round will be limited to those who signed up in advance. As decided in the October meeting, here is how the competition works: plants are supplied without a tag, the first member to bloom the plant gets a \$15 cash prize, and the plant's identity is revealed. To proclaim your bloom, you must call me (636) 795-6097 or Karou (408) 489-8604 and provide photo evidence. This time around, we definitely have blooming-sized plants, so keep a close watch. It could be a close race!

Well, it's back to packing for me! I am working as hard as I can to put a bow on this move and get back to the Springs in time for our meeting on the 25th. If I don't make it, you will be in the very capable hands of your esteemed vice president. Thank you, Karou!

Cheers, and hope to see you all at the fire station on the 25th,  
Alison Dino
