## Other Announcements:

Last Call for CSOS Membership Renewals – Everyone's membership fee was due by the end of December - \$15.00 individual, \$22.50 family. If you will not be at the January meeting you can mail your check made out to CSOS to: Lorie Casbon, 13160 Thumbprint Ct., Colorado Springs, CO 80921. We will be updating our membership list in February, so please renew now.

Results of December Election – At our December meeting, we elected our 2024 officers: Alison Dino is President, Kaoru Stabnow is Vice President, and Lorie Casbon is Treasurer. Please give them your congratulations and thank them for volunteering for another year.

Save the Dates – The Denver Orchid Society (DOS) will have their Spring Show and Sale on the first weekend in May. Setup will be on May 3 and the Show and Sale will be on May 4 and 5, 2024. Start grooming, playing soothing music, talking to your orchids, etc. so they will be happily blooming for this event. 😊

## President's Message

Thank you for the vote of confidence in your 2023 officers to reelect all of us to serve in 2024, and thank you, Kaoru and Lorie, for your willingness to serve again. I greatly appreciate you and Joan for producing this newsletter month after month, Lois for keeping us on the straight and narrow with our orchid names, and Matt for looking after our Facebook group. The CSOS would not be the success it is without you!

As we look forward to another fun and productive year, don't forget to put the Denver Orchid Society Show and Sale on your calendar now. This year, the spring show will take place a bit later on May 4th and 5th, with setup on May 3rd, tentatively at the Denver Botanic Gardens.

For 2024, our monthly meetings are again set for CSFD Station 14 all year **except** for our next meeting. Please note that due to a conflict with hazmat training, we cannot use our usual meeting room next Saturday. Instead, our January 27th meeting will be at CSFD Station 20. This station is located at 6755 Rangewood Dr. at Dublin Blvd. The meeting time has not changed.

Thank you all for making the CSOS a welcoming and fun group. I sincerely appreciate the help and patience you all extended to me last year as I navigated filling some very large suspenders. I never hesitate to tell orchid lovers who have not yet discovered us that they are missing out. Many express that they are afraid they would not be welcome, especially when they only own a few orchids, and thanks to all of you, I can proudly tell them that is not the case!

Cheers, and hope to see you all at Station 20,

Alison Dino
